GUITARIST / COMPOSER / PRODUCER

Newsletter - February 2013

Yep.....still at it, folks. Hangin' on to the porcelain rim, feet dangling' in the swirling water. Don't worry - wearin' the snorkel, just in case. Shapin' up to be a busy winter, lotsa work, lotsa gigs, lotsa travel, lotsa projects. Hope to see some of y'all along the way...

ALL THAT JAZZ: Looking forward to a date coming up on Thursday, February 7th with Peter Furlan's band at Trumpets Jazz Club in Montclair, New Jersey. Peter is a tenor sax player and composer of the highest order. His band is top-notch and features Terry Silverlight on drums, Vinnie Cutro on trumpet, Peter Brendler on bass and Neil Alexander on piano. This music is pretty dense and very challenging, but always a blast to play.....

HUMBLEBRAG: After a brief hiatus, Humblebrag is back! My project with my Jukes brother, John Isley - as well as Adam Jackson on drums and Ron Owanski on the organ - has a couple of dates this month. We'll play a concert on Tuesday, February 19th at Sarah Lawrence College in Bronxville, New York, and Thursday, February 28th, we're back at The Bayou in Mount Vernon, New York - a place with great Cajun food and a very chill atmosphere. Really looking forward to hittin' with these cats again and getting to some soul and jazz classics. We may even have some new original material. So, c'mon out. And don't forget, you can see videos from our debut gig at The Bayou on the Humblebrag [YouTube channel](#).....

FORCE 5: Well, we're nearly ready to mix the Force 5 CD, my band with my longtime colleague and friend, Dave LaRue. We are very excited to have the legendary, one-and-only Mike Finnigan playing and singing on a couple of songs. For those who don't know Mike, he first became known to lots of folks as the B3 organist on the classic Jimi Hendrix album, *Electric Ladyland*. I knew Mike as the Wichita musician who recorded with my friend and mentor's

band, The Jerry Hahn Brotherhood. Anyway, Mike has gone on to tour and record with just about everyone who's anyone in the business, singing duets with the likes of Etta James. He is one of my all-time favorites. I feel like a little kid at Christmas.....

DA JUKES: And, of course, I am always excited about workin' with bad boy soul-rock man Southside Johnny. The Jukes have some great gigs in February, including a rare, two-night hit at the LEGENDARY Stone Pony in Asbury Park, New Jersey - which includes an all-request show. Check out the Jukes [website](#) for details.....

YELLOW PAINT: My daughter, Oria, is getting some great reviews, exposure and airplay in Europe on her AMAZING debut CD, *Yellow Paint*. Check it out and order it [here](#).....

DON'T FORGET: You can connect with me on [Facebook](#) or via my [website](#). Also, you can get my newest release *Northern Light* - recorded in 1991, in one take, with my good friend and colleague, Scott Healy - at [iTunes](#).....
