

# GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - MAY 2013

I am writing all of you from beautiful Norway. This is truly a gorgeous, absolutely beautiful country with beautiful people. With every new day, I feel quite fortunate in my life and see one world, one people. By the time this makes its way to my website and Facebook, I will probably already be in the U.K. and soon back in the good ol' USA. I'm ready for warm temperatures, long days of sunshine and lots of greens..... especially my garden.....ah, the month of May. Hope all is well and I truly hope to see you somewhere along the way.....

**DA JUKES:** The Jukes are right in the middle of a European tour and it's been a whirlwind. First stop was the Paradiso in Amsterdam for a GREAT show, with a GREAT crowd. We always feed off the amazing energy in that beautiful venue. Love that joint! Then, we headed off for Scandinavia for a couple of shows in Norway and one in Sweden. We'll start off the month of May in the U.K. before finishing up in Italy and then heading back home. May is looking to be very busy, so please take a look at the tour dates below and make plans to catch a show. The band is in a real groove these days and Southside is really at the top of his game. You can also stop by the Jukes [website](#) for more details.....

**HUMBLEBRAG:** After a brief hiatus, Humblebrag is back with a live performance this month. Me, my Jukes brother John Isley, Adam Jackson and Ron Oswanski will be playing at a cool club in New York City, 78 Below. We'll be mixing it up with some jazz, blues and rock tunes. Come check us out. You can also take a look at our [YouTube channel](#) to see some tunes from past gigs. Also, please don't forget to "like" us on [Facebook](#).....

**FORCE 5:** Still in mix mode and looking forward to what lies ahead in terms of a proper home and release for this music. We are contemplating a new name for the band and welcome any ideas. Please feel free to submit a name or names. The music is a mix of blues, rock - sort of like the Dixie Dregs meets the Allman Brothers - songs about the homeland and such.....

**NORTHERN LIGHT:** *Northern Light*, my recent CD with buddy Scott Healy, continues to get some really great reviews. [This Book's Music Blog](#) calls it "an album that deserves to be heard and played repeatedly," and the [GappleGate Guitar and Bass Blog](#) takes note of the guitar work and says the CD is "well worth hearing." Click on the links for the full reviews. Curious? Well, you can listen for yourself - *Northern Light* is available on my [website](#) or [iTunes](#) or [Amazon](#).....

**AND DON'T FORGET:** You can connect with me at my [website](#) or "like" me on [Facebook](#). Stop by and say hello.....
