NEWSLETTER - APRIL 2014

Okay folks - my dream gig has finally landed!!!! When I was young, I dreamed of playing with Led Zeppelin, Miles Davis, Weather Report and Joco Pastorius..... well, it has finally happened. I can't believe it, but one of my dreams has come true - I landed the gig with Justin Bieber!!!! Whoopeeeee!!!! Ahhh..... April Fools!!!! Remember - nightmares are dreams, too. As always, thanks for your support, enjoy the spring and come out and say hi.....

**DA JUKES:** If you remember, in my last newsletter, I was stoked about gettin' out of cold, snowy New Jersey and goin' to warm, sunny Florida. Well, it turned out the only thing hot during our four Florida gigs, was the band! Unfortunately, the weather didn't cooperate, but we still had a great time. Thanks to everyone who came out to see us and stay tuned as The Jukes schedule starts to heat up for the spring.....

**GA3:** These gigs with Tom Seguso and Tony Tino are a whole lot of fun, and we'll continue to play The Bayou in Mount Vernon a couple of times a month. The New York/ Jukes

*Playin' in cloudy and chilly Florida*

Horns have made a couple of guest appearances at these shows, so you never know who'll show up. Check out our April dates and c'mon out.....

**OZMA CODE:** Thanks to everyone who came out to the first Ozma Code hit at New York City's Village Lantern. We'll be playin' there every other Sunday and will focus on great material that lends itself to improvisational exploration. The lineup will sometimes vary due to everyone's schedules, but the core group of players is amazing - Tommy Campbell, Adam Holzman, Mino Cinelu and William Kenney. We have a couple of April dates at the Village Lantern - which is on Bleecker Street in Greenwich Village - so come check us out in person and online: [www.ozmacode.com](http://www.ozmacode.com).....

**ETC:** Last month, I had a great time hittin' with the Paul Peress Project - Clifford Carter, Conrad Korsch and Paul Peress - at Farafina Café & Lounge in NYC. Hopin' to have some more dates with these cats in the near future, so keep checkin' in with my **Facebook** page and **website** for all the latest...Speaking of my website, I recently put up a new **MY PICKS** featuring the incredible Janie Barnett, please give it a listen...Also, I put up another video of the Glenn Alexander Trio on **YouTube**, so please check it out, if you haven't already.....
