GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - AUGUST 2014

Hey Folks!!! I'm back with more silliness from my corner of the world. I'm lovin' this summer and hope you are too. 'Course I'm thrilled and somewhat surprised when both feet hit the ground and I start to shuffle around. Got lots of great music in August and hope y'all will come out and bathe in it and say hi. Me? I'm just tryin' to get back to a place I've never been before. Enjoy the rest of the summer, but stay as cool as you always are!!!

**DA JUKES:** Our European tour was great! Sold out all venues, except one. We had big, enthusiastic audiences and lots of fun. A big thank you to everyone that came out to see us and support us. Hope we get back across the pond again soon. And well, I sure didn't think I'd be writing about our annual Stone Pony gig again this month, but due to some bad weather in July, the show was moved to August 2nd. Hope to see y'all in Asbury Park and some of the other shows this month.....

**GLENN STREET LIVE:** After a brief hiatus for Europe, Glenn Street Live is back!!! John Isley and I love doing these Wednesday night shows and hope you folks will log on to **Concert Window** to see what it's all about. We have some very special guests lined up and, of course, lots of great music. Please check our **Facebook**, **YouTube** and **Twitter** for each week's band lineup and all of the latest news from Glenn Street.....

*With The Jukes at Belleayre*

**NEW YORK HORNS:** Wow, what a great gig last month at NYC's Rockwood Music Hall!!! I love playin' with these cats and I'm so thrilled at the great feedback and reviews we've been getting about our live shows and our new CD - which can be ordered on our new **website**, as well as **iTunes**, **Amazon**, **bandcamp**, **cababy** and **Google Play**. We performed "Little Miss Thing" several times during Jukes shows last month, which was very cool. Please keep checking our website and our **Facebook** page for all of the gig dates and info.....

**ETC:** GA3 (plus horns!) played the Westfield Jazz Fest and killed it! We had a big crowd on a beautiful summer night. Love playin' this event every year and seein' so many familiar faces in the crowd ... I have a few dates with my friend Bob Burger this month, please check out my **website** and my **Facebook** page for all the dates and info ... Speakin' of my website, I have a new My Pick posted - my vocal contribution to the New York Horns CD, "Hey Good Lookin'" - please give it a listen ... Also, watch my **YouTube** channel for some "new" vintage video.....
