

GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - FEBRUARY 2016

WooHooo!!! Happy to say I'll be in sunny, warm Florida the first part of this month, then Nashville, Georgia and Virginia. But, alas - I'll be back to shiver with the rest here in the NYC metro area. Yes, winter has finally arrived, and I reckon it's about time. Workin' with Oria this month - I always love that! - plus plenty of dates with The Jukes. So come on out and say hi! Stay warm!!

At BB King's in New York City - one of my favorite joints to play

SHADOWLAND: That's right - the new band is now officially Glenn Alexander and Shadowland!!! We have been writing tunes, recording and we plan to bring some new music to you very soon.

We are also in the process of booking some gig dates, so please keep a look-out for some big announcements. In addition to yours truly, the band has a bunch of familiar faces: John Isley, sax; Chris Anderson, trumpet; Tom Seguso, drums; Greg Novick, bass. We can't wait to get this thing goin' so watch out!!!

Giggin' with Oria Aspen at Farafina Café & Lounge in NYC

THE JUKES: Thanks to everyone who rang in 2016 with us at the Count Basie Theatre!

That is always a special night for us and we all sincerely hope you had a great time. Life in Jukesville is...gettin' busy!!! We will be hittin' the road in support of **Soulttime!** our new album. And when I say hittin' the road I mean we're hittin' it HARD! As I write this, we're in the middle of a south of the Mason-Dixon line tour - Florida, Atlanta, Nashville, Virginia and Delaware. We come back for some local shows, including a big two-night stand at the iconic Stone Pony. Then, we hit the road again, going to the Midwest and then a springtime tour in Europe - wow! Please come out and witness the craziness and say hello

ORIA ASPEN: Nothing gives me more pleasure than being able to perform with my daughter, Oria Aspen! And we've had a bunch of dates lately that have just been sublime. Because of my crazy schedule, Oria has been venturing out and performing with other artists - including the great guitarist Jerry Topinka. I will be posting Oria's gig dates - both with and without me accompanying her - on both my [website](#) and my [Facebook](#) page and I encourage everyone to get out to a show and see her perform. I promise you won't be disappointed!!!
