GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - JULY 2016

I love the summer!!! The warm temps brings folks out and it brings out great attitudes and smiles in all. We have some really great and fun gigs this month so, stop the grinnin' and drop the linen and get yo butt on out. You know, it's the season to shed the winter layers and have some fun .....

*Havin' fun at the Rockland -Bergen Music Fest*

**THE JUKES:** We're gearin' up for the annual show at The Stone Pony on July 3rd. That show is always somethin' - playin' a legendary venue on the outdoor stage in front a packed house with people watchin' from the boardwalk and the rooftops. If you haven't been to one, I highly recommend comin' down and experiencing it at least once in your lifetime. You never really know what Johnny is goin' to do and that's half the fun. Also in July, we have a bunch of outdoor shows, and finish up the month at New York's Beacon Theatre. Please check out the gig dates below and keep watchin' my [website](#) and [Facebook](#) page for all the latest news and info .....

**SHADOWLAND:** Well, the big CD is going to be finished and available this month and I've got to say it's pretty rockin' and I think y'all will dig it. Some of the songs have been with me a long time and the vibe of the music dates back to my days in Wichita playin blues,

country, soul and rock with some bad ass cats. Shadowland sounds pretty damn good, if I do say so myself! Of course, it helps that I enlisted such great musicians who also happen to be my good buddies. Pretty much all of the Jukes are on it including Southside Johnny, and we also have the very talented Oria, who contributed some amazing vocals. I do love the way it sounds, the vibe, the way the packaging looks and I can't wait for y'all to check it out. Shadowland will perform at this year's Westfield Jazz Festival, so c'mon out and hang with Shadowland! You will be able to pre-order the new CD there and I absolutely promise a night of kick-ass music .....

*With The Jukes at Westhampton Beach Performing Arts Center*

**ETC:** Oria and I will be back at Princeton's Salt Creek Grille for a show later this month. This is a beautiful room and we love playin' there. Great food, great people and great music - what more could you ask for on a summer Friday night? Hope to see some of you folks there ... The New York Horns had a great date at Pete's Saloon in Elmsford last month. The crowd was small, but we were very warmly received. Hope to get back there soon .....
