

GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - AUGUST 2016

Yeah I know, August is vacation month, but there's also a lot goin' on, and for folks like me, you know what they say, "no rest for the wicked." Got lots of gigs across the U.S, and brand new recordings, so hopefully in your travels you'll find time to listen to our new music and swing out to a gig. Enjoy this beautiful August! Thanks for bein' part of my little world and letting me be part of yours *Glenn*

SHADOWLAND: As most of you probably know, the debut album of *Glenn Alexander and Shadowland* is now available in the store at my [website](#). It's not only available in CD form, but also on a USB drive that's packed with loads of extras - song lyrics, the stories behind the songs, photos and lots more! There are nine originals and three covers - songs about the heartland, heartbreak, blues classics and fun stuff that we think you'll like. A great cast of musicians worked hard to get this done - none more than John Isley - including Oria, Greg Novick, Tom Seguso, Chris Anderson and Neal Pawley. We also have special guests Jeff Kazee, Tony Tino and Southside Johnny - lookout cuz they be bad. *Shadowland* played a great first gig at the Westfield Jazz Festival's Sweet Sounds Downtown. There were a few hundred folks there and everyone seemed to dig it. You know what I always say "if you like it tell everybody you know, if you don't just keep it to

Me and Oria with Shadowland at the Westfield Jazz Fest

yourself," we don't need any bad publicity. So please keep watching my [Facebook](#) page for the latest gig dates and info. My website also has big, brand-new **Shadowland** section, so please check it out

THE JUKES: The annual Stone Pony outdoor show was pretty amazing, as always!!! It was broadcast live on Sirius radio and everything really came together musically for the band. The crowd was huge and rowdy - just like Johnny likes 'em! This month, we have a couple of road trips - one to the Midwest and one to New England - so please say hi if you come out to one of those shows

ETC: At the end of the month I will be reunited with some ol' friends, as I play with LaBamba and the Hubcaps, featuring Mark Pender and Timmy Capello in Asbury Park!!! We are playin' with the legendary Darlene Love, so it's bound to be an amazing show. Hope to see some familiar faces in

the crowd ... Also, later in the month, Oria and I will be at Bar Thalia in NYC. This is a great little spot on the Upper West Side. We love playin' there and we'd love to see some of y'all there, so c'mon out
