NEWSLETTER - OCTOBER 2016

October is a time for ghosts, goblins, phantoms, mysterious events, indeterminate places - and if I didn't know better, I would think I was describing Shadowland! Yes, my *band* Shadowland. And no, I'm not describing the personalities of the band members, although many of them do resemble ghosts, goblins and phantoms at times. Well, you can check it out yourself at one of two events this month - or both! C'mon out and hang with Shadowland. It is a beautiful month and time of year, so let's have some fun before the winter sets in and we freeze our asses off

SHADOWLAND: We had a great CD release party NORTH at 12 Grapes in Peekskill last month. There was a nice turnout and it was a fun night and we want to thank everyone who came out and shared it with us. We have two other shows this month, one at Mexicali Live in Teaneck, New Jersey - a double bill with Mike Fox & The Mighty Spectrum Band: The Bruce Show - and...look out folks...the annual PIG GIG, now open to the public!!! Yes, Shadowland will host a pig roast with a live performance, a free CD, all the pig you can eat, as well as, other food, beer and special guests. And it's all for a measly \$30 donation - that's right you get it all for just thirty bucks!! You don't want to miss this, so keep watching my [website](#) and [Facebook](#) page for more show announcements and more CD release parties

L.A.X. Returns - Me and Dave LaRue

ETC: Well, it was sure nice to hit again with L.A.X. (LaRue-Alexander), my power trio with Dave LaRue on bass and Van Romaine on drums. We played three dates in the New York Metro area late last month. The music is sort of like the Allman Brothers meets the Dixie Dregs and is a power trio in every sense of the word, Slammin' indeed. Thanks to everyone that came out to see us - it was incredible to see so many fans and old friends...wow. We have a burnin' recording in the can that we are hoping to release soon, so stayed tuned ... I had a really amazing - but very short

trip - to South Africa for the Joy of Jazz Festival. I played with some very talented performers - including my good friends Brenda Russell, Deniece Williams and, one of my all-time favorites, Bill Champlin. He is badass!!! ... I will be playin' with my good friend Jerry Topinka this month in Freehold, as a jazz duo. Jerry's a great player and I'm really looking forward to this ... Thanks to everyone for the great response and support for the [video](#) "Here's To Jay." This was a song that I wrote to honor my nephew Jay Alexander, who passed away from a rare form of cancer five years ago. His untimely death inspired my family to fundraise for the [Fibrolamellar Foundation](#) ... I had a great gig with Oria at Princeton's Salt Creek Grille last month. Oria's voice was in top form and we killed it! Thanks to all who came out - we look forward to getting back there very soon

With Oria, Chris Anderson and John Isley at the Shadowland CD release party

THE JUKES: While September was a slow month for the Jukes, we ramp it up with a bunch of shows in October. We're back at B.B. King's in New York City - one of our absolute favorite spots to play, as well as some dates in both Connecticut - at the wonderful Infinity Hall in Hartford - as well as a new spot for us in Staten Island, at the St. George Theatre. Then, we have a week or so break and get ready to ramp up for a busy winter season. Really lookin' forward to seein' some old and new friends, so c'mon out, say hello and catch a show!!!
