GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - DECEMBER 2016

December, the final month of 2016. That in and of itself should tell us to live today, now, get on with whatever it is you want to do, as there may not be a tomorrow, there is only now. I feel like 2016 has flown by, but it has been an amazing year. As always, I reflect back and am so grateful for every moment, that I have gotten to share with all of you. I am thankful for health, happiness, friends, family and that Shadowland is up and running baby!!! I hope everyone has a wonderful holiday season. I want to share with you a beauty by Ralph Waldo Emerson: "Finish every day and be done with it. You have done what you could. Some blunders and absurdities crept in. Forget them as soon as you can. Tomorrow is a new day; you should begin it serenely and with too high a spirit to be encumbered with your old nonsense." Happy holidays to all... *Glenn*

At Shadowland's Cutting Room show

SHADOWLAND: Shadowland had a couple of great shows in November. First, was a shared bill with LaBamba & The Hubcaps at The Cutting Room in New York City - and what a blast that was!!! Shadowland was firin' on all cylinders that night and we had a very enthusiastic reception from the large crowd. I also pulled double-duty that night and played with the Hubcaps, which is always fun and crazy. We also had an amazing night at a newer music room, The Laundromat in Morristown. This is a great spot and we hope to get back there again soon. In the meantime, Glenn Alexander & Shadowland is starting to get airplay in Europe! And our debut CD received a nice review from [Muziekwereld](#), a European online music site. So exciting things are starting to happen!!! This month we'll be hittin' at Hat City Kitchen in Orange, New Jersey and Rudy's in Hartsdale, so hope to see some of you folks there. Also, remember, if you don't have our album already, you can order it from my [website](#), or you can download it from [iTunes](#), [Amazon](#), [Tidal](#), [cdbaby](#), [Spotify](#) and all of the other digital download platforms. With the holidays comin' up, it makes a great gift for your favorite music fan! And if you buy six of them, they really do make wonderful coasters!!! And please don't forget to keep checkin' both my website and [Facebook](#) page for the latest news, updates, photos and show announcements

Havin' a laugh with Oria at the Morristown Shadowland gig

Performing with Oria at Sarah Lawrence College

THE JUKES: December for The Jukes always means gearing up for some of our regular December shows - at the Rams Head in Annapolis, The Birchmere in Alexandria and New Year's Eve at the Count Basie Theatre. The only difference this year is that the Birchmere and Rams Head shows are BEFORE Christmas this time. We look forward to all of these shows, regardless of when they are, and hope to see some old friends and new faces, so please c'mon out

ETC: Oria and I had a wonderful show at Sarah Lawrence College last month. We performed a bunch of jazz standards for a show called "The Art of the Duo." We're back at the Salt Creek Grille in Princeton later this month, so please come on out to this wonderful laid-back restaurant with the great vibe. We love playin' there! Gigging with Oria is my favorite thing to do, so please watch out for more dates comin' up soon
