

# GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - APRIL 2017

Spring is here, I think? No more snow, I hope? Snow is great for the grass, flowers and gardens, but I'm ready for spring and warmer weather. Hopin' to get one or two days free to start to plant the garden. March was a ridiculously busy month, as is April. Thanks to all who keep in touch online and have been out to the shows - I really do appreciate it. Please enjoy the energy of spring and bring some of that spring love my way .....

**ETC:** Well, as you know, the country is in turmoil due to the last election. But, I am happy to report that because of the uproar, a recount was demanded. And the winner was not The Donald or Hillary, but a write-in candidate:

*Hail to the Chief - In the Oval Office*

Me!!! The General!!! I didn't run, but will happily serve under the platform of peace, love, understanding and tolerance and kick-ass music!!! Not only am I now the leader of the free world, but I also an Oscar for my music! Wow, this is totally crazy, right?!? Unfortunately, the envelopes got mixed up and I had to receive my award off-camera. Bummer. But, the end result is that I still have an Oscar and LOVE that I got to hang out with Gwyneth and Dame Judy Dench! How cool is that? Anyway, life goes on and I took a call from a guy that said that he was producing a new Broadway musical about

*Me and my Hollywood pals and our Oscars*

Alexander Hamilton. Good luck with that. Anyway, I was super-busy and had to pass on it. But, against all odds, it becomes a huge hit. He comes back to me about replacing him in the lead role. I've never acted, but I definitely have the musical chops and I'm like, YOLO, right? If it sucks, it sucks. But it doesn't suck! And I'm the lead in *Hamilton*! A show that I did because I had the right hair and I liked the spiffy outfits! Please check it out. And also check out the pics that document my journey. Oh, and by the way - as if you didn't know already, this is all a big ol' fat, April Fools joke! Hope y'all enjoyed and had a laugh!!! .....

**THE JUKES:** Wow, what a couple of months it's been with The Jukes! Starting in mid-February until the end of March, we were pretty much on the road all the time, hitting Florida, North Carolina, Georgia, New England, Niagara Falls, Pennsylvania, Chicago, Minnesota, Ohio and Kentucky! Things slow down for us a bit in April with a couple of local New Jersey shows, but we also have two exciting trips on tap: four shows in California and a stop at the New Orleans Jazz Festival!!! It's been more than a decade since we hit the West Coast, so we're all very excited about seeing our West Coast friends .....

**SHADOWLAND:** Even though any Shadowland gigs were put on hold due to The Jukes schedule, there's plenty happenin' behind the scenes! All of that time on a tour bus gave me time to work on some new songs and book some gigs! We have one show this month at the great Laundromat Bar in Morristown and will have a bunch more in the coming months, so please check out my [website](#) and [Facebook](#) page for all of the latest gig dates, photos and news. And, don't forget, the Shadowland CD is available from my [website store](#) or you can download it from [iTunes](#), [Amazon](#), [Tidal](#), [cdbaby](#), [Spotify](#), so please pick one up - I think you'll enjoy .....

*Takin' the lead role in Hamilton - yeah, that's right!*
