NEWSLETTER - JUNE 2017

Hallelujah summer is here!!! My garden is planted and growing fast with all of the rain. I know we can generally do without the rain, but it sure helps my garden. Shadowland has several gigs this month and I'm headed to L.A. to hit with my friends - Mark Pender, LaBamba, Michael Merritt, Scott Healy and James Wormworth. Also, a short trip to Europe with the Jukes - so many great things happenin' in June. Thanks to all who have been following and supporting Shadowland - great things are happening! Please enjoy the sunshine and blue skies and stop out to say hi, share the love and enjoy the music!!! Life is good!!! *Glenn*

With Oria and Shadowland at Roxy & Duke's Roadhouse

SHADOWLAND: May was a great month for Shadowland!!! After a fun night at the Laundromat Bar in late April, we really got back in the groove quickly with two great shows. First, we played **Roxy & Duke's Roadhouse**, which is a very cool, funky, honky-tonk in in Dunellen. We love this joint - they focus on booking bands playing original music, rather than "tribute" bands. We had a hell of a time and so did the audience! We will be back there September 8th. so mark the calendar. We also had an amazing night at Lucille's at B.B. King's. I've played B.B. King's many times over the years with different bands, always the big room, but never Lucille's and never with my own band, so this was a lot of fun. The crowd was a fun mix of fans and friends, as well as tourists who came in for a meal and had

no idea what they were getting into to! Everyone seemed to dig it and had a great time...woohoo!! Anyway, June will be another big month for Shadowland - we'll be back at **Laundromat** in Morristown early in the month, but will also be part of an amazing double bill with the legendary J.T. Bowen at the **Wonder Bar** in Asbury Park. We are very excited about this show and hope y'all will come out, rock out and party with us. We promise to blow the roof off the joint! Keep watching my **website** and my **Facebook** page for all the latest news and gig info

THE JUKES: Other than a few private shows, June will be pretty quiet in Jukesville until the end of the month when we have a whirlwind three-shows-in-three-days trip to Europe, with stops in London, Paris and Amsterdam. I am damned excited about it! Then, we head back to the U.S. for our annual outdoor show at The Stone Pony - watch out!

ETC: I had the privilege of playing the Apollo Theater last month. I was part of a band led by Southside Johnny and John Isley and we were performing on a bill that was a homage to Billie Holiday. It was a wonderful night with a variety of great artists - including the legendary Willam Bell and Bettye LaVette - singing Lady Day's songs. The night was really made extra-special playing in a building with such a rich musical history ... I'll be hittin' with my good friend Jane Getter at Big Billy's Bar & Grill in Mount Vernon this month. It's always fun playin' with Jane, try to come check us out
