GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - AUGUST 2017

The summer has been busy as hell, in a completely good way. So many great gigs around the world with so many wonderful people. I am truly grateful being able to do what I do. My garden is awesome and life is good. Thank you to all for being a part of my world. I hope y'all have a great August, the final month of summer. Live everyday as though it is your last - this aint no rehearsal for something else! See ya down the road ..... *Glenn*

*At the legendary Stone Pony with the Jukes*

**ETC:** First of all, I want to thank everyone for their support and patience during my Facebook issues. Long story, but last month, I discovered that almost everything on my page had been inexplicably disabled and I was only able to post via an Android tablet. I know - very weird. Trying to fix it was a challenge, but we seem to have gotten it done and everything seems to be up and working, so here's hoping it keeps goin' that way ... Big news - I am now tweeting! That's right, The General joined [Twitter](#) and you can now follow me at [@ga\\_shadowland](#), so please check it out! As you know, social media is a challenge for me, but if you follow me, I'll keep doin' it ... Stay tuned for some short gardening videos that I'll be posting on my [YouTube](#) page very soon!

*At the Ocean City Music Hall*

And with all of this rain, my garden is kickin' some serious ass! I had fun makin' them, so I hope you'll get a kick out of watchin' ... Oria and I had a great gig at the wonderful Bar Thalia in New York City. A big thank you to everyone who came out to hear us do what we do. So great to see old friends and students.... Remember: all of the latest news and gig dates are on both my [website](#) and my [Facebook](#) page, so check both often .....

**THE JUKES:** Wow, I actually thought the annual Stone Pony show may not happen. The weather that day was very unsettled and right before we took the stage, the sky looked very ominous and Kansas-like. But, after a brief rainy period, the show went on to a full house and it was a blast! We get a lot of energy from the crowd and this crowd did not disappoint! A fun evening ... Also fun were the nights in Norwalk (complete with fireworks and a crowd of 20,000), Richmond (great new venue) and - one of our all-time favorite joints - The Birchmere. This month, we head on up to New England, which is always a fun run, so take a road trip and check us out. The band is on fire these days and Johnny is insane - in the best possible way .....

**SHADOWLAND:** A lot of BIG shows are comin' up for Shadowland!!! First up is the [Westfield Jazz Festival](#). This is always a great night in my adopted hometown. It's a free outdoor show and I expect to see y'all out there. Coming up in September we have a great show at this cool venue in Maryland, [Worsell Manor](#). I'm told shows at this venue sell out very fast, so get your tickets now ... Well, THIS is a show I've been waitin' a lifetime for - Shadowland is playin' my REAL hometown of [Maize, Kansas!!!](#) I'm really lookin' forward to seein' old friends, makin' new friends and showin' the heartland how Shadowland rocks ... Save the date - Pig Gig 3 is coming on Sunday, October 1st!!! Venue and details to come, but put this on your calendar, because you won't want to miss this!!! ... Shadowland will be filming a video at the wonderful [Roxy & Duke's](#) in Dunellen on Tuesday, August 15th - c'mon out and be a part of it, we'd love to see ya. Details to come .....
