NEWSLETTER - OCTOBER 2017

I love October!!! Fall is here and Pig Gig 3 is happening!!! September was incredible, off the hook. So great to see so many friends and fans in Maryland, Japan and "My Home Town" - also the title of a new song - of Maize Kansas. Thank you, thank you, thank you to all the fans, friends and family for making September so awesome!!! I hope to see you in October. Life is good! Even when it's bad it's good - just think of the alternative. Make the most of every moment. Come see us and share the love *Glenn*

SHADOWLAND: What an amazing month September was for Shadowland! First, we had a nice little gig at Roxy & Duke's, that funky little roadhouse joint in Dunellen. Next up, was a wonderful night at **Worsell Manor** in Maryland. This is an absolutely beautiful venue in farm country, so I felt right at home! Roosters were crowin' and we played to a full house in a meticulously renovated barn that dates back to 1683 and George Washington, a frequent guest at the property. George was not there - I cannot

lie - but our hosts Scott and Barb were wonderful and we can't wait to get back there! Then came the show I was really looking forward to - a free outdoor show in **Maize, Kansas**, my hometown!! What an amazing experience for me to go back to Maize and play in front of a large crowd that included my parents, my brother and sister-in-law and loads of other family members and close friends. The weather was perfect and we were really welcomed with open arms. I have to thank my good friend Mayor Clair Donnelly and his

team for taking care of every detail and making it an unforgettable experience for me. I wish I had more time to hang with everyone, but just seein' folks for a quick bit was pretty sweet. Thank you, Maize - lookin' forward to comin' back and doin' it all over again!!! ... As you read this, Pig Gig 3 is probably happenin' - and hopefully you're AT the Pig Gig!!! I will have a full report next newsletter, but this year it should be even bigger and better than last year. Bigger venue, more food, more beer and wine and more Southside Johnny - our extra special guest - so what could be better? I'll tell you what - all profits will be donated to the Fibrolamellar Cancer Foundation in memory of my late nephew, Jay Alexander, who tragically died of this horrible disease at the age of 20. If you are reading this before 5pm on October 1st, then there is still time to attend, tickets are \$40 at the door. If you missed it and still want to donate, please go to the Fibro Fund's [website](#). Thanks to everyone in advance for supporting this worthy cause that is so near and dear to my heart ... This month we're back at it with gigs at the great **Laundromat Bar** in Morristown and a daytime show at **Sarah Lawrence College**. C'mon out and say hello - we'd love to see y'all ... Check out my [website store](#) which now has both men's AND women's t-shirts in stock. The Shadowland t-shirt - a must-have addition to every fine wardrobe

THE JUKES: Wow, what a crazy whirlwind trip to Japan we had! We were there less than a week, did six shows and then were on our way home before the jetlag had worn off! The shows were great, the Japanese fans were so welcoming and enthusiastic and the sushi was amazing! This month, we head back to Cape Cod, then down to hurricane-ravaged Florida to see our friends in Hollywood and Key West and we also have some private shows. We end the month in two of our favorite spots: Tarrytown and Collingswood. Look out, the Jukes are comin' your way
