NEWSLETTER - OCTOBER 2018

Pig Gig IV was a total blast and a great success!!! The food was delicious, the appetizers, pig and sides were off-the-hook good, the music was fantastic and it was a hell of a great time! I can't thank everyone enough but I will try. Huge thanks to our incredible sponsors: [Bill's Ineffable Automotive Rehabilitation](#); [Craig R. Stock Landscape Design](#); [Roosterspin Restaurants](#), [Green Village Packing](#), [Mountain Deli](#), [Westfield Living](#); [Vine Republic Liquors](#). Our sponsors really helped to make this event a huge success. I want to thank the musicians: Chris Koch; Anthony Tamburro; The Lonesome Pines; my band Shadowland with The New York Horns and Oria; and of course my good friend Southside Johnny! Johnny not only performed but he also bought tickets....wow! That's a hell of a guy - thanks so much, Southside!!! I also want to thank those that physically carried, set-up, worked for hours doing a million different things: my brother Greg Alexander and his wife Sheila; Craig Stock; John and Flo Alonso; Zach Sandler; Hood and Karen for working the door and selling merch, and so many others. Thank you to soundman Scott Festa for bringing and setting up the system and running front of house and monitors all day. Thanks to The Italian American Hall - you're the best. A special thanks goes to Phyllis McQuillan, my right hand and left hand person who help organize, promote and create every single detail of Pig Gig IV, as well as working hours and hours making it all happen - thank you Phyllis!!! At the end of the day, we raised awareness and money to support and help fund research for the [Fibrolamellar Cancer Foundation](#). It was all done in honor of my late nephew, Jay Alexander who passed away at 20 years, 7 months and 19 days from this horrible disease. HERE'S TO JAY!!! We will do it again next year and every year after. If you weren't there this year, please come out next year to party and celebrate with us and help us help the Fibrolamellar Foundation battle cancer

SHADOWLAND: How do we top Pig Gig IV? Well, Shadowland has a couple of great shows coming up in October. The first is at the Salt Creek Grille in Princeton. We're playin' at a special wine-tasting event. Admission is \$50 and some of the owners of the most prestigious wineries in Italy will be on hand. It should be a great night! We also have a show in New York City at Carroll Place on Bleecker Street. This is a great little spot and we are so happy to be playin' there. It should be a really fun night of music, so please try and come out. You can look for more info on this and other gigs at my [website](#), [Facebook](#) page and [Twitter](#) feed

Shadowland at Worsell Manor - what a great place!

Princeton last month. Our friend Bill Moring was there on bass and it was just a really wonderful night of music. We love that room and hope to be back there soon ... Oria and I will be at Trend in Montclair in October as part of a singer-songwriter night. These are really fun shows - put together by my friend Michael Locker - that put the spotlight on local musicians. Please join us for a fun night

THE JUKES: After a September with virtually no shows, The Jukes are back at it in October with a handful of shows in the tri-state area. We'll be in Fairfield, Peekskill, Kean University in Union and the Orange County Fairgrounds in Middletown, New York. If you're around, please come out and say hello
