

GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - APRIL 2019

April is here and brings with it all the beauty of spring - hallelujah!!! That, coupled with all of the insanity going on in the political arena, has inspired me to step in and do something about it. I am no longer willing to stand by and not stand up. Look for me on the 2020 ballot! In the meantime, please come out and hear some music and say hi!!! We've got to stick together, support one another and share the love! *Glenn*

THE GENERAL - 2020: With everyone and their dog throwin' their hat into the 2020 presidential race, I thought it was time for me to do the same - especially since I'm the only one who actually has a hat to throw! While I'm concerned about all of the same things the other candidates are - healthcare, living wages, free trade, improving relations with our international allies - my main focus is to spread peace, love and kick-ass music throughout the land! Plus, it gives me a bigger platform to expose the world to the music of Shadowland, which will be especially important with our new album coming out later this year! Think about it...every speech and every rally (like the one pictured left) will be featured on every news program around the world - and have Shadowland tunes pumpin' up the crowd in the background! Sweet!!! While this may be an April Fool's joke (gotcha!), the meaning of my song **Common Ground** is not. The message of humanity, open-mindedness, tolerance and overall acceptance of folks who may not look, think or believe in the same things as us, is something we ALL should be looking for when we vote for president in 2020. Hmm, I am soundin' a bit like a politician...maybe I SHOULD run?!? Nah, I like my hat too much to throw it in any ol' ring!

THE JUKES: Wow. What an incredible run of shows in the U.K.! The audiences there are so damn welcoming and so knowledgeable about our music, it is always great to go there. Plus, the countryside is so lush and green and beautiful - it's always a much-anticipated road trip for us. We're back on the road in April, through the Midwest, New Jersey and New England - c'mon out and say hello

A great night at Barnacle Bill's! We love it there!

ETC: **Pig Gig Arkansas is comin' up on May 19th and Shadowland is absolutely playin'!!!** It's gonna be a great day, so please keep checkin' all the usual spots - my [website](#)/[Facebook](#)/[Twitter](#) for more info, or donate directly to the [Fibrolamellar Cancer Foundation](#) in memory of my nephew, Jay Alexander. Tickets are available [here](#). Please support this amazing cause happenin' right in Jay's hometown of Rogers, Arkansas. Here's to Jay!!!

Oria and I had two fabulous dates in March - at [Barnacle Bill's](#) and [Salt Creek Grille](#). The audiences were amazing and we loved every minute. We played both gigs with bassist - and our good friend - Chris Plunkett, who always elevates the musicianship. Barnacle Bill's owner Todd Sherman (pictured above) is awesome and we can't wait to get back there in May
