NEWSLETTER - SEPTEMBER 2019

Oooh...I love the fall almost as much as I love the spring. The change of seasons, cooler temperatures and something new is always a wonderful welcome. Too much of the same - weather or otherwise - gets boring for me. I have lots of new music this month with Glenn Alexander & Shadowland, L.A.X. (LaRue~Alexander) and Oria. That's right, Oria has some new music and a new video that will be released late September or early October. New music and September weather makes me feel like dancing! I think that the great Earth Wind & Fire song said it best: Ba de ya, say do you remember? Ba de ya, dancing in September, Ba de ya, never was a cloudy day... Hope you have a great month!

Come out and hear what we are doin' and say hi!

With The Jukes in Atlantic City

in September - not one, but TWO album release parties! First up: we'll be playin' at the wonderful [Roxy & Duke's](#) on Friday, September 20th. Next: we'll be at the amazing [Worsell Manor](#) in rural Maryland for our "southern" release party. We love both of these spots and are lookin' forward to seeing old friends and new fans, so c'mon out!

THE JUKES: The Jukes are ramping it back up in September with a West Coast swing. We'll be playin' four shows in the Los Angeles/San Diego area and are lookin' forward to seeing all of our California friends

ETC. September is also a big month for L.A.X., my band with my good friend - and bassist extraordinaire - Dave LaRue. We are releasing a new album and will have a bunch of dates in the New York metro area at the end of the month. Please check the calendar below for details. We are stoked about this album - it is badass and I hope you will check it out. It will be available very soon on my website, so keep checking back for details
