NEWSLETTER - MARCH 2020

Look out people, we survived the winter. Well, there wasn't much of it, so it was pretty easy and now we're movin' into spring...yeah baby!! Warmer temps, lots of sunshine, plants and trees bloomin' and all of the spring energy are on the way. All you have to do is absorb a bit of it. Shadowland's *Knockin On The Door* is selling great all over the world, as is the L.A.X. album. And, please, look for Oria's new single, "Wannabe," coming out this month. Enjoy the sunshine and swing out and say hi! Happy March!!! *Glenn*

THE JUKES: Well, all you have to do is look at calendar below to see what I will be up to in March - The Jukes are hittin' the road and hittin' it HARD! We have about a dozen shows in the south, before we return for two local shows at the very end of the month. We love seein' all of our friends and fans on the road, so please c'mon out, catch a show and say hello ... The sort-of annual show at **The Stone Pony** did not disappoint. It was sold out weeks in advance and was a crazy, unpredictable and fun experience. There's nothing like playing that iconic music

ETC: If you haven't already, please check out the great interview that was published on the **Backstreets.com** website last month. Longtime Jukes fan Mike Saunders (Druid) did the interview with me a while back and we covered all sorts of topics - Shadowland,
