NEWSLETTER - JUNE 2021

Oh yeah - Summer is ON baby!!! June be rockin' and so is my garden!!! I planted well over 150 plants in my garden and in pots including various tomatoes (including: grape, cherry, Early Girls and Big Boys), cucumbers, beets, green beans, zucchini, lettuce, all kinds of peppers (including: habaneros, jalapenos and cayennes), basil, cilantro, scallions, dill and strawberries. Also, performing as Blue Americana, Oria and I have many outdoor gigs this month which are listed below, so come out, eat, drink, be merry and say hi. I am also keepin' as busy as ever with sessions, gigs, gardening and, of course, writing and recording for all of my different groups. The sun is bright, skies are blue and life is good, baby! Hope we connect with you soon on Facebook or at a live gig. Please stay safe folks and enjoy this beautiful weather!!!

SHADOWLAND: Shadowland will have one more Facebook live show for the summer this month on Friday, June 4th at 8pm, so please check it out. We have a blast doin' these shows - gettin' together, playin' music, eatin' some food and just hangin'. We'll take a break for the summer and start back in sometime in the fall, maybe September.

In the meantime, we will have a couple of live shows - in July at the Westfield Music Festival and in September at the wonderful **Worsell Manor** in Warwick, Maryland - so hopefully, y'all will step out and see us in person. And I am continuing to write and record new things for the band and hope to have a new album coming in the fall. Until then, please keep checkin' out all the usual spots - my **Facebook** page, my **website**, the Shadowland **website** and **Twitter** feed - for all of the latest news and info.....

BLUE AMERICANA: Blue Americana is alive and well!!! Oria and I continue to do our Facebook live shows and are lovin' every minute of it. We will continue doin' Quarantunes when we are not out playing live shows, which is picking up nicely for the summer. We have regular spots at **Pickett's Village Bar** in Maplewood and at **Hailey's Harp & Pub** in

Blue Americana LIVE at Pickett's in Maplewood - a fun night!

Metuchen. We've also been playin' Quimby street in **Downtown Westfield** and a number of private shows. We are thrilled to be keeping busy and have several gigs on the calendar this month that are listed below. We also have a **website**, a **Facebook** page and a **Twitter** feed, so please check them out for future dates

Some post-Quarantunes hijinks!

THE JUKES: Finally, after more than eight months off, we had a couple of dates at the end of May. There was a bit of dusting off and jogging the old memory, but we managed and it sure was great to get back at it with the cats. We have one date in June and a few more in July so things are picking up and continue to do so into the fall. I am really lookin' forward to seein' some of the familiar faces out there. We be "Havin a Party"
