

GLENN ALEXANDER

GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - JULY 2021

It's July and things are heatin' up in every way!!! It's hot, you're hot, I'm hot! Yes, I know it's already been written, but in this case it's literal - it's frickin' hot!!! My garden is rockin' and so is live music! We endured, hung in there and live shows are springin' up everywhere! Summer is on baby! Gots lots goin' on so come on out and say hi. Please be safe and stay hydrated and libated. Hope to see ya down the road!!! *Glenn*

PIG GIG 6!!!: Woohoo! After a hiatus last year because of the pandemic, the Pig Gig will be back on October 24th, so please make sure to mark your calendars!!! Once again, it will be at the Italian American Hall in Scotch Plains and it will feature an awesome pig roast, all of the beverages you can tolerate and music all day long! We are still in the early planning stages, so please stay tuned for details. For those who are new to the Pig Gig, it's a benefit for the **Fibrolamellar Cancer Foundation** in honor of my nephew Jay Alexander, who lost his battle with

John Isley and I Jukin' it up!

this terrible disease in 2011. All profits will go directly to the charity in his name to continue research in fighting this rare cancer. It takes a lot of work to put on this event, so if you are interested in sponsoring the Pig Gig, we have all sorts of great perks, so find out more by reaching out to me at my **Facebook** page. Please keep checking that page, my **website**, the Shadowland **website** and **Twitter** feed for all of the latest news, info and updates

SHADOWLAND: Shadowland has been relatively quiet the past month or so, but we have a few things cookin' with a couple of live shows comin' up. On August 10th, we'll be at the **Westfield Music Festival**. We perform here every year and it's a great event and it's FREE, so c'mon out to the Central Avenue location. Then, on September 15th, we're back at **Worsell Manor** in Warwick, Maryland. This is an great spot that has an amazing history that dates back to Revolutionary War days. We love our annual visit here and hope to see some old and new friends ... I'm writing and recording new music for Shadowland as we speak, but make sure you visit my website store for CDs, t-shirts, etc. Also,

just a quick note to our international fans - unfortunately, it costs a lot to ship outside the U.S., so please note there is a \$15 shipping charge for all international orders. Let me know if you have any questions relating to the store, via the message box at checkout

BLUE AMERICANA: Blue Americana is alive and well!!! Oria and I love every minute of our Facebook live shows and we will continue doin' Quarantunes once or twice a month when we are not out playing live shows, which is picking up nicely for the summer. We have a couple of regular spots we play - **Pickett's Village Bar** in Maplewood and at **Hailey's Harp & Pub** in Metuchen. We've also been playin' Quimby street in **Downtown Westfield** and a number of private shows. We are thrilled to be keepin' busy and have several gigs on the calendar this month that are listed below. We also have a **website**, a **Facebook** page and a **Twitter** feed, so please check them out for future dates

Surveying the situation in my garden

THE JUKES: Well, the Jukes schedule is pickin' up steam - we started off with a couple of dates in late May in an unheated tent (which was essentially outside in the 40 degree temps and relentless rain), then had another outdoor date in June where it was hotter than the surface of the sun, but we are happy to be back playin' again!!! We have a bunch of East Coast shows this month, so we hope we'll see y'all
