NEWSLETTER - AUGUST 2021

Hey folks! Well, this month I have good news and bad news ... The good news is August is here! The bad news is August is here! And that means we are on the back side of summer and it will soon be coming to an end. Yeah, all that leisure beach time, hangin', vacations - yep, they all be comin' to an end soon, so ENJOY while you can! It is crazy how fast the summer rolls by. The garden is rockin' and I'm canning pickles, beets and makin' salsa. That, too, will all come to an end very soon. Been out doing some live performances and have more in August. Hope we see you along the way. Big reminder - the big Pig Gig 6 cancer Benefit is October 24th baby! Yep, we got Bobby Bandiera this year and, once again, Southside Johnny. Mark your calendars. Tickets will go on sale very soon, so stay tuned. Enjoy the rest of your summer - have fun & be safe!!! *Glenn*

The General's pickles are back!

PIG GIG 6!!!: As we announced in last month's newsletter, Pig Gig 6 is ON!!! It's on October 24th at the Italian American Hall in Scotch Plains and we already have some of our regular sponsors on board! It takes a lot of dough to host the Pig Gig, so we are looking for folks who want to sponsor and donate. As always, it's a benefit for the **Fibrolamellar Cancer Foundation** in honor of my nephew Jay Alexander, who lost his battle with this terrible disease in 2011. All event profits will go directly to the charity in his name to continue research in fighting this rare cancer. We are determined to make this the biggest and bestest Pig Gig yet and are working out all the details. It will be a day of great music - which, at the moment, includes The Lonesome Pines, Bobby Bandiera and, of course, Glenn Alexander & Shadowland with special guest, Southside Johnny! Great food, libations-a-plenty and great fun, so save the date! Please keep checkin' all of my pages - **Facebook**, **website**, the Shadowland **website** and **Twitter** - for updates and ticket sales

SHADOWLAND: Oh boy - Shadowland is gettin' ready to perform in front of some actual people again! We had been doin' some semi-regular Quarantune gigs on the ol' **Facebook** page, but it's been

almost a year since we performed before an audience and we can't wait! The **Westfield Music Festival** is a wonderful event that we play every year and we'll be at the Central Avenue location again - right by the Turning Point. It's free and a great way to enjoy a lazy summer evening, so come check us out ... Shadowland continues to get airplay all over the globe and a new album will be released sometime in the fall. We're very excited, so stay tuned

BLUE AMERICANA: Oria and I continue to do our Friday night Quarantunes shows on Facebook and have just been having a blast. We love all the visitors and comments that come in during the show. We will do only one in August - on the 6th - as the month is crazy-busy. Please join us for the fun, or if you are in the area come out to **Pickett's Village Bar** in Maplewood and/or **Hailey's Harp & Pub** in Metuchen - two places we will be playin' this month. Both of these spots have great food, great beers and other spirits and are awesome in every way. Please check the dates below. We also have a **website**, a **Facebook** page and a **Twitter** feed, so check out Blue Americana

THE JUKE: The Jukes are back at it full steam! We had eight gigs in July, several in August and a ton coming up in the fall, so please check the **Jukes website** and come have a party with us!!!

ETC: Oria has been writing and recording some amazing music and is signing with **Pacific Records** out of San Diego, which will release a single in the fall. We are very excited about this and will let you know when it is comin' out. Also, check out Oria's **website** for other goodies

Having fun at Hailey's Harp & Pub
