The live playing is starting to heat up a bit and we hope to see ya out and about at some shows. Please be safe and stay healthy and we'll see ya down the line. *Glenn*

BLUE AMERICANA: Lots going on this month for Blue Americana! First up, we will play the first of two Light of Day Winterfest 2022 show

Lookin' forward to Light of Day!

on Friday, March 4th at **Outpost in the Burbs** in Montclair. This show is called the North Jersey Songwriters In The Round and we will share the stage with folks including: James Maddock, Guy Davis, Joe D'Urso, Daniela Cotton and Williams Honor. Tickets are available here: <https://outpost.ticketleap.com/light-of-day-2022/details>. Next up will be a Songwriters-by-the-Sea event at The Robinson Ale House in Asbury Park on Sunday, March 13th. Tickets for that show are available here: <https://mcloones.ticketbud.com/lod-winterfest-2022-songwriters-by-the-sea-b7436ac9-7ca677414ae7>. Of course, these shows are all part of the annual Light of Day festivities for Parkinson's disease, a horrible disease that has touched my family, as well as thousands of others. Oria and I are happy and proud to be part of Light of Day and join the fight ... We had a great night at **Hailey's Harp & Pub** in Metuchen last month and have another date scheduled there in May. If you haven't been to this wonderful Irish pub, I hope you'll join us on May 19th - we're sure you'll like this joint as much as we do! ... Speaking of live dates, Blue Americana will be back at Pickett's Village Bar in Maplewood in late April. They have a great outdoor space in back that we love playin'. More on this date next month ... Quarantunes keeps rolling along! We enjoy sharing these Friday nights with you! Thank you so much for inviting us into your homes for music and quarantines. We only have two Quarantunes coming up in March, so we hope you'll tune in on my **Facebook** page ... Don't forget: Blue Americana has a **website**, **Facebook** page and **Twitter** feed. Please visit these spots and like and share them - we'd appreciate it!

SHADOWLAND: Well, it's been a minute since I've written about Shadowland in the newsletter, but although we haven't had a

public show in a while, we've been busy behind the scenes! The third Shadowland album is almost done and we're hoping to have it out this summer. Plus, we're very excited that Shadowland will be playing LIVE at Pickett's Village Bar in Maplewood in late April. We can't wait to get back at it and play in front of a real live audience! ... I'm working to get the Shadowland cats together for a Quarantunes appearance very soon, so please keep a lookout for more info about this and all other things Shadowland on my **website**, my **Facebook** page and **Twitter** feed

Our Valentine-themed Quarantunes was a blast!

THE JUKE: After a fun show last month at **The Stone Pony**, The Jukes have two nights at the **City Winery** in New York. Then we hit the road in a big way, with a bunch of dates in the Northeast - New York, New Jersey, Connecticut, Massachusetts, Pennsylvania and Maine - in April and May. Check my website for all the details and dates and hope to see y'all on the road

L.A.X.: Thank you to all who came out to see L.A.X. at our dates in Florida last month! We had so much fun in the Sunshine State, we're gonna do it again soon! We're working on booking some dates down south down in early summer, so please keep checking the L.A.X. website - www.laruealexanderlax.com - for all the latest dates and info.....
