NEWSLETTER - APRIL 2022

Woohoo - April be upon us! No foolin' goin' on here, just the real deal. The month is packed full of live dates, recordings, a little garden planting and some turkey huntin'. That's right, those turkey legs that Oria uses in Blue Americana didn't come from the store. We gonna put a turkey in the freezer for Thanksgiving and add some legs to the percussion department of Blue Americana. Shadowland and Blue Americana are at [Pickett's](#) later this month - come on out and join us and enjoy the spring energy, sunny skies - an occasional April shower - and warmer temps, which bring those beautiful May flowers. Hope to see ya down the road *Glenn*

SHADOWLAND: We've been itchin' to get out and play live and are thrilled that it's finally gonna happen in April! That's right folks, the wait is over - Glenn Alexander & Shadowland will be at [Pickett's Village Bar Upstairs](#) in Maplewood at the end of the month! This is a great spot, with a wonderful food and drink menu, so please join us and make a night of it. We're planning on blowing the roof off the joint, so you don't want to miss it - we can't wait to see y'all!!! ... I know I've been sayin' that we're gonna get Shadowland on Quarantunes, but with such a large band, it's hard to wrangle the cats on a Friday night. So we're toying with the idea of taping a show live and then posting it on my Facebook page on a Quarantunes night - and we have tentatively scheduled it for April 22nd. We'll keep you posted, so keep checking my [website](#), my [Facebook](#) page and [Twitter](#) feed for all the latest on Shadowland and more

Blue Americana with the great Danny Clinch

BLUE AMERICANA: Oria and I had a blast playin' two Light of Day Winterfest 2022 shows last month at [Outpost in the Burbs](#) in Montclair and [The Robinson Ale House](#) in Asbury Park, but the highlight for Blue Americana was playin' a short afternoon set at Danny Clinch's [Transparent Clinch Gallery](#) in Asbury Park. Wow, what a great spot Danny has created - in addition to an art gallery where many of his amazing photos are on display, Danny has installed an intimate performance space that is really very cool. Danny joined us on blues harp and even took a turn at the turkey legs! We had a great time! If you

would like to see our set, we shared it on my [Facebook](#) page, so please check it out ... Woohoo - Blue Americana is back at [Pickett's Village Bar](#) in Maplewood this month! With the weather gettin' nicer and the temps goin' up, Pickett's is opening it's outdoor dining space once again and we're thrilled to be a part of it! Please join us and enjoy a nice spring evening with great food and music! ... With all of the live gigs now on the calendar, our Friday night Quarantunes are becoming few and far between. But, fear not all you faithful Quarantunes, we will continue to slip as many of them in as our schedule allows! We love spending Friday nights with y'all, so watch my [Facebook](#) page, the Blue Americana [website](#), [Facebook](#) page and [Twitter](#) feed for the latest.....

Blue Americana will be at Pickett's this month!

THE JUKES: Oh boy, after a slow winter, The Jukes are hittin' the road BIG TIME! This month we have a bunch of East Coast shows in Maine, Massachusetts, Pennsylvania, New Jersey and Connecticut.
