NEWSLETTER - JUNE 2022

Woohoo - it's June!!! Summer is here folks, and I got lots goin' on. The garden has been planted, the sun is shinin' and we got plenty of rain. The General's spicy pickles, salsa and beets are in the making. Pig Gig Arkansas is rockin' on June 5th and then it's off to Florida for some hits with L.A.X., then back with Blue Americana dates and then out with Southside and the crew. Warm temps, sunshine, cold drinks, losin' all the long sleeves and heavy clothes feels damn nice! Oria and I will still do an occasional Facebook streaming cause it's too much fun, so come ride with us on that merry-go-round. Hope to see ya there or at a gig. Rock on!!! *Glenn*

Shadowland at Worsell Manor

SHADOWLAND: Wow, what a great night we had at **Worsell Manor**!!! Shadowland plays this beautiful barn in Warwick, Maryland every year and it's always one the best nights! I don't know how to explain it, but the vibe there is tremendous - the setting is gorgeous and rustic, the acoustics are amazing (thanks to sound man Jan Williams), the audience is amazing and our hosts (the owners Scott and Barb Millar) are welcoming and gracious. Thank you again for having us back and we're already countin' down until we get back there! ... Shadowland continues to work on new music for our third album. We have already wrapped up eight songs and have a couple more we're working on. Once we get those last few tunes finished, we'll get it out to your ears ASAP! Don't forget to keep checking my [website](#), my [Facebook](#) page and [Twitter](#) feed for all of the latest on the new recording, live dates and news

PIG GIG ARKANSAS: I'm very excited about Pig Gig Arkansas and it's comin' up fast! After takin' a few years off due to the big COVID insanity, we're back at it. Multiple dates with Southside Johnny and The Asbury Jukes made it impossible for Shadowland to participate this time, so I have enlisted the talents of my power trio mates and LaRue/Alexander - L.A.X. will be the headliner this year. Blue Americana will kick things off, followed by Eric Miller and then L.A.X. with our special guest, Oria. A couple of delicious roasted pigs, amazing sides and plenty of brew will make this a hell of an event, all to raise money for the [Fibrolamellar Cancer Foundation](#) in honor of my

nephew Jay Alexander. Come celebrate his legacy, love, life and join us in the effort to save lives. All proceeds will be donated to the [Fibrolamellar Cancer Foundation](#) via the Jay Alexander Foundation. Tickets are \$40 for adults and \$15 for children and available [here](#). If you can't attend but still would like to make a difference, you can donate to the cause at this link: https://paypal.me/HeresToJay?country.x=US&locale.x=en_US

BLUE AMERICANA: After a great gig last month at **Hailey's Harp & Pub** in Metuchen, Blue Americana has a couple of shows this month, first at the aforementioned Pig Gig Arkansas, then at **Pickett's Village Bar** in Maplewood, as well as a new spot for us - **Krewe of McGinley Square** in Jersey City, so we're pretty pumped for those two dates. In the meantime, Oria and I continue to write and record and - HOPEFULLY - we'll have our first album out in the Fall. We will also continue to squeeze in Quarantunes whenever our schedules allow. So, we hope to see you at a show or see that you're streaming our live Facebook insanity. Please join us for a quarantini - or six

L.A.X.: June will be a big month for L.A.X.! In addition to making our Pig Gig debut, L.A.X. is headed to Florida for a couple of dates. We'll be at the **Central Park Performing Arts Center** in Largo on the 10th and **The Green Parrot** in Casselberry the following night. Both venues are selling advance tickets, so grab yours now. Lookin' forward to seein' out Florida friends

L.A.X. and Blue Americana will play Pig Gig Arkansas!
