GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - AUGUST 2022

Hey Folks!!! The summer is really flyin' by - I feel like I blinked back in May and here we are in August. Been havin' a helluva good summer and working on so many things for the fall like Pig Gig 7 (see below) and trying desperately to finish up Oria's new album, as well as new records from Blue Americana and Shadowland, but there really doesn't seem to be enough hours in the day. Yes, it has been hot as hell, but I still love the summer. I will welcome the cooler temperature of the fall but summer is pretty sweet. Hope you will take the time to read all the news below, as I got lots goin' on and so much comin' up that I want to share with all of you. Enjoy the heat, but stay cool and besafe out there! Come on out and say hi at one of the events listed below and have a fantastic August!!! *Glenn*

**L.A.X.:** L.A.X. is headin' back to Florida in September! Following my two hits in the Sunshine State with The Jukes (in Hollywood and Tampa -

*The not-so Fab Four in Tarrytown*

see dates below), L.A.X. will be back at two great venues! First up is Friday, September 16th at **The Green Parrot** in Casselberry. Then, on Saturday the 17th we'll be at **The Music Ranch** in Lakeland. Both spots are selling advance tickets, so grab 'em while they last! All updates will be on my [website](#), my [Facebook](#) page and [Twitter](#) feed, so please keep checking for news and info .....

**PIG GIG 7:** That's right, we have a date for Pig Gig 7 - it's Sunday, October 23rd, so make sure to mark your calendars, because we expect it to be bigger and better than ever! We'll have the usual pig roast, plus all kinds of other delicious dishes and desserts, the bottomless beer and wine bar, plus music, music, music, all day long! Shadowland will headline and we'll have The Lonesome Pines, Blue

*After a particularly scary Quarantunes*

Americana and special guest Southside Johnny and more folks will be announced in the coming weeks. Tickets are \$60 and available at [Ticketbud.com](#), just type in "Pig Gig 7" in the search bar of the events page (or this link: <https://tinyurl.com/25h7mb7n>). Of course, this is all for a great cause - all profits go directly to the **Fibrolamellar Cancer Foundation** in honor of my late nephew, Jay Alexander, who tragically lost his battle with the deadly disease at only 20 years old. Please join us for our pig roast with a purpose and help us eradicate this horrible disease. It takes a lot of work to present the Pig Gig, so if you would like to be a sponsor (there are all kinds of great perks!), reach out to me via my website - [www.glennalexander.com/contact/](http://www.glennalexander.com/contact/) - and I will get right back to you. Last year, we raised more than \$20,000 and we plan on beating that number this year and then some! .....

**BLUE AMERICANA:** Unfortunately, Mother Nature didn't cooperate and we had to cancel our show at the wonderful **Krewe of McGinley Square** in Jersey City. We were supposed to play outside and the temps were headed north of 100 degrees, so it was really in everyone's best interest to postpone. The good news is we will be back there on August 14th, so come on out to this great spot and hang with us! ... We'll have another summer Quarantunes this month on the 12th. We love doin' these and will continue to squeeze them in whenever our schedules allow, so stay tuned to our [website](#) for all the latest .....

**THE JUKES:** The much-anticipated Jukes July 4th show also was a victim of that evil bitch Mother Nature and has been rescheduled to Labor Day weekend, so we hope to see y'all then. In the meantime, The Jukes have a few East Coast dates this month, in Massachusetts, New Hampshire and Long Island .....

**SHADOWLAND:** It was a crazy-hot night (are you sensing a weather theme here?), but Shadowland had a great show at the Westfield Music Festival last month. We played in a different spot this year, but were happy so many folks came out to share their night with us ... The new Shadowland albums is THIS CLOSE to being finished and we are hoping to have everything wrapped-up by the Fall, so please keep checking the Shadowland [website](#) for any and all updates .....
