BLUE AMERICANA: We had an absolute blast playin' LaBamba's Holiday Hurrah at The Stone Pony last month. Oria and I did a Graham Parker tune, *Soul Christmas*, in front of a packed house. It's always fun to hit with LaBamba and Mark Pender and all of the other dozens of talented musicians that played that night ... We also got in a last-minute Christmas Quarantunes, which was a lot of fun. We're hoping to squeeze at least one in January, so

THE JUKE: Well, after a raucous New Year's Eve show, The Jukes are quiet in January, but we've got some dates comin' up in February that will see us go to New England, as well as Florida. Oh yeah baby, lookout! Winter here in the northeast with the shitty grey skies and cold ass temps leave a lot to be desired and we are looking forward to being in sunny Florida and you should be there as well. Come hang with us in the warm temps in early February baby!
