NEWSLETTER - MAY 2023

Holy smoke, it's May people! Soon summer will upon us. I love this time of year. The energy is just incredible. I am so grateful in too many ways to count. I am blessed in what I do and to have so many friends powering me on. Life is damn good. Even when it's challenging and difficult, life is still good. Everything happens for a reason, even when we don't see it in that moment. Pig Gig Arkansas baby!!! Yes, it's happening May 27<sup>th</sup>. Hope to see many of you there. Got a lot of local music happenin' in May and we hope to see some of you along the way. Be safe out there and enjoy every moment ..... *Glenn*

**BLUE AMERICANA:** Blue Americana continues to gig every month, so please check the dates below and come out and say hey. We have a date this month one of our absolute favorite places: **Krewe of McGinley Square**. Anthony Tamburro and his wife Hank have the best restaurant in Jersey City, serving the most amazing New Orleans cuisine. It is outrageous and we will be serenading folks this month, playing some soothing sounds while you treat your tastebuds - it's a taste sensation not to be missed! ... We are delighted to be performing at Pig Gig Arkansas on May 27<sup>th</sup> with a full band - and, quite possibly, a very special guest, known as the godfather of the New Jersey soul/rock scene, the one and only badass himself. You don't want to miss this one people. Awesome food, lots to drink, killer music - all to raise money for the **Fibrolamellar Cancer Foundation** in honor of my late nephew, Jay Alexander. We hope to see some of you folks there - woohoo!!!

*With Humblebrag at Sarah Lawrence*

**SHADOWLAND:** Unfortunately, our annual gig at the amazing Worsell Manor is not happening this year. They have had a very challenging year and decided not to do their summer music series - Music In The Barn - in 2023. We wish them well and hope it's up and running next season, because we love playin' there ... Meanwhile, I'm still in the studio mixing new music and hoping to release something soon - please

*Quarantunes made its triumphant return in April!*

hang in there with us, I promise it will happen eventually ... On the live music front, we did book our annual Westfield Music Festival gig in August. We'll let you know about that as the date gets closer - please keep checkin' my [website](#) and the [Shadowland website](#) for more details .....

**HUMBLEBRAG:** We had a great afternoon show at Sarah Lawrence College last month. When you have such great players like John Isley, Steve Count, Eric Halvorson and Ted Kooshian, it's always a pleasure. We're gonna try and get some more dates on the calendar, so keep checkin' my [Facebook](#) page, [Twitter](#) feed my [website](#) for updates .....

**THE JUKES:** Things are starting to heat up in Jukesville and it's gettin' good folks! The band is just throwing down hard and havin' a blast, so c'mon and rock with us, it's just too much fun! We have gigs in Albany, Connecticut and NYC this month - hope to see y'all! .....
