NEWSLETTER – SEPTEMBER 2023

Hey Peoples - what the hell? The summer is over? I feel like I blinked and it's the fall. Well, I hope y'all had a fantastic summer. I know mine was busy as hell, with lots of recording and gigs ... and then there was the pickles and salsa, which wears me out! I love when things grow, but after a while, I'm over it. I start teaching college again soon and I still have an insane performance schedule comin' up. I'm never sure how it will all get done but I'm sure it will. I do love the fall and will carry on. Enjoy every moment as best you can

PIG GIG 8: The date has been set and the tickets are on sale, so go get 'em! Pig Gig 8 is on Sunday, October 22nd and promises to be bigger and better than all the previous ones combined! We have an absolutely KILLER lineup of music, including our friends **The Lonesome Pines**, **James Maddock**, **Blue Americana**, **The Weeklings** and of course, Shadowland, with special guest Southside Johnny! Plus, there is all of the beer, wine and food you can handle - including the star of the day, the roast pig! As always, this is a benefit for the **Fibrolamellar Cancer Foundation** in honor of my nephew Jay Alexander, who passed away in 2011 of this terrible disease. So please join us for a great cause

BLUE AMERICANA: Blue Americana loves playin' all of our gigs, but we have a couple of dates comin' up that are extra-special - we are playin' the grand opening of **Pub on the Bricks**, my brother Greg's new bar in Rogers Arkansas! This is a sweet little spot right in downtown Rogers and will serve craft beer, a variety of wines, along with seltzers and ciders. Greg is involved in every aspect of the business, including the design and construction. He even built the tables and actual bar himself! We can't wait to see it and hope anyone in the area will stop by and say hello ... In addition to our gigs at Pub on the Bricks, we'll also be at a couple of our usual spots - **Grillestone** in Scotch Plains, and **Krewe of McGinley Square** in Jersey City - this month. Later in September, we also have a date at a new spot for us, the **Logan Inn** in New Hope, Pennsylvania. Lookin' forward to that one

With Blue Americana at Krewe

THE JUKES: The Jukes have a very busy September, beginning with our big hit at the Stone Pony Summer Stage on the 2nd. We look forward to that show every year - it's always a big rowdy party! It's awesome to be on that stage and look out to the thousands of smiling faces! After that Labor Day weekend extravaganza, we have shows in Pennsylvania, Connecticut and then a three-stop trip to Florida. We look forward to seeing old and new friends along the way, so c'mon out

With Shadowland at Westfield Music Festival

SHADOWLAND: Big news - a new Shadowland song has finally been released! "Tequila & Lime" is a song Oria and I originally wrote as a Blue Americana tune, but upon further consideration, we decided it was a better fit for Shadowland. It is now available on **Spotify**, **Apple Music**, **iTunes**, **Amazon** and all of the usual places where you download your music. We think you'll love it! ... Shadowland had a great show at the Westfield Music Festival last month. That's an annual event we do every year and sometimes the weather hasn't cooperated, but this year was perfect! Not too hot, a nice breeze and a big crowd. Thanks to everyone who ventured out on a weeknight! ... Coming up in October - Shadowland will once again appear at the Pig Gig. See above for all details ... The best way to find out all the latest is to check out my **website**, my **Facebook** page and **Twitter** feed
