NEWSLETTER - OCTOBER 2023

It's October - that means Pig Gig Month!!! Yep, here we go again raising money for **Fibrolamellar Cancer Foundation** in honor of my nephew, Jay Alexander (3/16/1991 - 11/4/2011). Please join us for a fantastic celebration and day of love, laughter, awesome food, drink and entertainment to raise money to fund research and ultimately save someone's life in honor of Jay!!! Then, the very next week you can dress up, dress down, not dress at all and be as batshit-crazy as you want for Halloween!!! Yeehaw!!! The fall is on, baby! Lots goin' on. Hope you will join us on our crazy ride somewhere on the road. Stay healthy and safe, people *Glenn*

Pig Gig 8 is Sunday, October 22nd!!!

one of these new venues - joined by pianist extraordinaire Mike Mancini - at the beautiful **Logan Inn** in New Hope, Pennsylvania. This month, we'll have a full band at **Stone House** in Warren, New Jersey, another new spot for us. Don't worry we haven't abandoned our regular haunts! We'll be back at two of our faves, **Hailey's** in Metuchen and **Krewe** in Jersey City, early in the month

THE JUKES: The Jukes played our annual outdoor show at The Stone Pony and everything about it was great! The weather was perfect - a little chilly, even - and the crowd was huge and appreciative. It's always a highlight playin' The Pony After a September run in Florida, we hit the road again and stop in a couple of new spots for us: Pittsburgh, Phoenix, and Park City, Utah. I hear the Phoenix show is almost sold out, so get your tix now!

SHADOWLAND: Shadowland had one gig on the calendar this month - the aforementioned Pig Gig 8! Those attending will get a chance to hear our newly released song, "Tequila & Lime." If you can't wait to hear it, simply go to **Spotify**, **Apple Music**, **iTunes**, **Amazon** or any of the usual places where you download your music. We think you'll love this little toe-tapper ... Don't forget to check out my **website**, my **Facebook** page and **Twitter** feed for all of the latest info

PIG GIG 8: Woohoo - we are less than a month away from Pig Gig 8! For those unfamiliar, the Pig Gig is our annual benefit for **Fibrolamellar Cancer** in honor of my nephew Jay Alexander, who passed away in 2011 of this terrible disease. All profits go to the FCF and go directly for research in finding treatments and - hopefully, one day - a cure. Tickets are \$70 and available at **Ticketbud.com**. You may be asking what exactly you get for your money and the answer is...LOTS! In addition to the pig roast - provided by my good friend Bill Kleemeyer of **GVP/Swine Time** - we'll have all sorts of tasty dishes and sides, courtesy of some of our sponsors including: **Krewe of McGinley Square**, **Roosterspin**, Mountain Deli and more. In addition to all of the food you can eat, we'll also have all of the beer and wine you can drink! And if that's not enough, we have music, music, music all day long! At press time, our performer lineup includes: **The Lonesome Pines**, **Blue Americana**, **The Weeklings** and of course, **Shadowland**, with special guest Southside Johnny! We'll also have silent auction items, including a private show with Blue Americana and many more great items. You won't want to miss it, we plan on making Pig Gig 8 bigger and better than ever! Doors open at 2pm and we won't stop rockin' until 8pm. We love seeing everyone come out for this great cause, so please make plans to join us on October 22nd

BLUE AMERICANA: Blue Americana has been adding some new spots to our calendar. September saw us at one of these new venues - joined by pianist extraordinaire Mike Mancini - at the beautiful **Logan Inn** in New Hope, Pennsylvania. This month, we'll have a full band at **Stone House** in Warren, New Jersey, another new spot for us. Don't worry we haven't abandoned our regular haunts! We'll be back at two of our faves, **Hailey's** in Metuchen and **Krewe** in Jersey City, early in the month
