NEWSLETTER – AUGUST 2024

Hey folks! Here's the news for August - there isn't much news. May, June and July were fast and furious, a damn whirlwind of events, so I am purposefully slowing a bit in August and going to try and enjoy a moment of the summer before the insanity of the fall kicks in. We have a few things and the month ends with The Jukes at The Stone Pony on August 31st, so hope to see you somewhere along the way *Glenn*

ORIA: Oria just released Gasoline and it is available on all digital formats including [Spotify](#), [iHeart Radio](#), [Apple Music](#), [Amazon](#), [Deezer](#), etc., etc. It is our reimagining of a song by the New Jersey artist Halsey. Oria truly identified with and embraced the lyrics and we worked out this cool arrangement together. We enlisted world-renowned Mark Egan on bass and the always incredible bad-to-the-bone Van Romaine on drums and programming.. Oria plays a gorgeous alto flute solo in it and there are plenty of juicy guitars throughout. Please check it out. We think that you will dig it and if you do please download it and share it with everyone

Shadowland rocked Germany!!!

GLENN & ORIA: Glenn & Oria have a few things goin' on this month, but again we are taking a little break before things heat up in the fall. We have a couple of songs already in the hopper, ready to be released, and as soon as we can get a video created we will release them - or hell, maybe even before! So much music, so little time! Please check us out on [YouTube](#), [Instagram](#), [TikTok](#), our [website](#) and anywhere and everywhere else you can find us! Spread the word, please!

With Oria at The UpStage in Dorphof

SHADOWLAND: Shadowland is taking a break for the month of August. After an absolutely amazing tour in Germany - and the Westfield Music Festival back in New Jersey - we are going to regroup and try and do some events this fall. We have a couple of originals in the can and we will be releasing those songs soon, so stay tuned for that. This is an amazing band, if I do say so myself. We completely threw down in Germany and knocked folks out - Shadowland Rocks! Very special thanks to Reiner Borgmeyer who arranged the tour and took great care of us. Also thanks to Stephan Rodefled who organized the festival and Ras and Petra at The Upstage. Another thanks to Ras and Dirk for the great photos in this month's newsletter. Anyway, please keep checkin' our [website](#) and my [Facebook](#) page for all the latest news and dates

THE JUKES: Southside Johnny and THE Asbury Jukes have a few hits in August, including two later in the month in Massachusetts. We'll be in Plymouth and at one of our favorite spots - the Blue Ocean Music Hall in Salisbury. It's a great venue, right on the ocean. We end the month at the iconic Stone Pony Summer Stage on August 31st. C'mon out and say hi and rock the night with us. Don't know how many more of these we will do going forward, so you don't want to miss it!!!
