Holy jumpin' jack-o-lanterns, it's frickin' October! Time is flyin' by at a pace that I just can't even keep up with. I farted and September was over. Maybe I blew it off the map! Fall is definitely upon us and ya gotta love it! It's only 6 weeks until Pig Gig 9, our amazing FCF cancer benefit in honor of Jay Alexander. With LaBamba's Big Band
everywhere else you can find us!

GLENN & ORIA: We had a fantastic night at **Barnacle Bill's** at the end of September and can't wait to get back in there. We love that place and the owners, Todd and Sam Sherman are the best! While our last gig at **Krewe of McGinley Square** in Jersey City got rained out, we are hopefully lookin' forward to another date or two there in October. Their food is just awesome and we love Hank and Anthony, who own the joint. Once again, Krewe will be a sponsor of Pig Gig 9, donating some of their incredible signature foods (like their AMAZING jambalaya!). In addition, Anthony - a talented musician - will also be one of our great performers. Woohoo! That's a win-win for sure! ... We have dates coming up in October at the **Stone House** in Warren, **McLoone's Pier House** in Long Branch, **Logan Inn** in New Hope, **Village Hall** in South Orange and **Liberty House** in Jersey City. All dates are listed below, so come out, enjoy the music - which always makes us feel good! - the food, drink and vibe and have a good time with us ... We will probably release "Lollygaggin Dillydally Fiddledickin Fumblefuckers" this month, so put your seatbelts on cuz this one is a doozy!!! We're all over social media these days, so make sure you follow/like us out on **YouTube**, **Instagram**, **TikTok**, our **website** and anywhere and

SHADOWLAND: I know I keep saying that we have songs in the can to release and well, we do. I just can't seem to find time to actually do it, promote it and make videos. This month, I'm hoping to release "Elroy's" and "Back to the Blues Again," so please be on the lookout for it and check my Facebook page and the Shadowland website for info

THE JUKES: Da Jukes have some fun gigs comin' up with month and bouncing to Cincinnati, Columbus and Cleveland, Ohio. Then, we have a little run to Pittsburgh, Pennsylvania, Buffalo and Homer New York. Hope to see you for some of that mayhem.

PIG GIG 9: As I said above, Pig Gig 9 is comin' up fast - do you have your ticket yet? Tickets are only \$70 and you get a lot of bang for your buck - music all day, all the food, beer and wine you can handle and really cool raffle items. We have The Lonesome Pines, Anthony Tamburro, the Glenn & Oria Band and Shadowland, with special guest Southside Johnny locked in and more announcements to come.
