GUITARIST / COMPOSER / PRODUCER

NEWSLETTER – DECEMBER 2024

Woohoo! It's frickin' December! How'd that happen?!? I feel that I just woke up in a daze from 2023's Thanksgiving food coma and it's December 2024 - holy shit!!! Well, tighten up your shorts cuz 2025 is on the doorstep. Once again I'll be dragging in the nude year with Southside Johnny and The Asbury Jukes down at the Count Basie Theatre. It's actually been a great year for me - I've been busier than ever with tons of music, rakin' in the dough, getting fat and bein' happy. Okay some of that's true. Hey, thanks once again to all who participated in any way to Pig Gig 9. It was very successful - we are at \$22k and funds are still comin in! We are so damn grateful for all who show up and help, those who donate goods for the auction and everyone who purchases tickets...so damn cool. THANK YOU, THANK YOU, THANK YOU! Hope y'all had a fantastic year, I know that I did and that you have a fantastic last month of 2024 and are safe out there. Maybe we'll see you out at a gig and or NYE!

With my brother Greg and sister-in-law Sheila

in Alexandria, Virginia. Of course, we end the month (and the year) at the big New Year's Eve hit at the one and only **Count Basie Theatre**. It's an early show again - showtime is 6pm - so we can get you back home early

Shadowland at Sarah Lawrence College

GLENN & ORIA: We had some really fantastic gigs in November. We play so many as a duo - which we love - but we also had a couple with the band last month, finishing at **Barnacle Bill's** in Rumson, which has become one of our very favorite places. We're sure to have more hits there and hope you'll join us. The food is so damn tasty and it's a great venue for spirits and live music. We have a few hits later this month, so please look at the dates below. And keep checkin' my **Facebook** page and the Glenn & Oria **website** for more info. We'd love for y'all to swing out and say hi ... Also, want to remind you we're on **YouTube**, **Instagram**, **TikTok**, so please check out those sites and like and follow us

THE JUKES: Da Jukes have a few hits at the beginning of the month, first up in New England (Connecticut and Rhode Island), then we go to Pennsylvania and one of our favorite all-time joints: The **Birchmere** in Alexandria, Virginia. It's an early show again - showtime is 6pm - so we can get you back home early for your beauty sleep. It's always a fun night and I hope we see all of you at the big show, as there may not be many more of these in the future, ya never know

SHADOWLAND: Shadowland had a really fantastic show last month at Sarah Lawrence College and a big thanks to everyone who spent the afternoon with us ... We've got a few songs in the can and will be releasing something very soon, certainly before the end of the year, so please be on the lookout for an announcement

PIG GIG 9: As I said above, Pig Gig 9 was a big success and we raised more than \$22,000 for the Fibrolamellar Cancer Foundation in honor of my nephew, Jay Alexander. Many folks who could not attend have asked how they can help. If you would like to donate, please go to the FCP website: www.fibrofoundation.org/giving. Make sure to indicate your donation is in honor of Jay Alexander. Once again, thanks to everyone involved. Here's To Jay!
