NEWSLETTER - JANUARY 2025

Holy jumpin' jellyroll, we made it to 2025!!! 2024 was one helluva ride with a lot of surprises that I did not see comin', some good, some just okay and several that just really sucked. Got to take the good with the bad, I reckon. Well, I, like the rest of you, must and will carry on. I pretty much always live one day at a time, so off we go into the great unknown - buckle up, we're in for a roller-coaster ride *Glenn*

THE JUKES: NEWS BULLETIN: The Jukes are no more. Yep, in case you have been traveling in space, outer space or just had your head in the sand (which I often do), Southside Johnny has thrown in the towel on touring. It has been an awesome ride and I am grateful to everyone - to Southside for takin' me along, to my bandmates for keepin' me afloat and liftin' me up every night. And a special THANK YOU to all the fans of music and the Asbury Jukes for keeping us going and being there for us. Wow! What an experience, one unlike any other and one I could have never predicted. Way too many great nights, incredible sites,

Holiday Quarantunes with Oria

unforgettable times with friends and fans - I wouldn't trade one moment of it. THANK YOU PEOPLE and see you next year!!! Just kidding! Life will go on and Oria and I will be making and releasing lots of music, as will Shadowland and L.A.X., but it was a great run with The Jukes

GLENN & ORIA: We have lots of gigs comin' up in this month, February, March, and so on. Some are our with duo and some with our band. We will be releasing "Elroy's" this month (Available for pre-order here: <https://distrokid.com/hyperfollow/glennandoria/elroys>), a grooving', foot stompn',

nasty little boogie-fil-your-butt-starts-to-shake little doodad that you're just gonna love. So, when that comes your way, don't be shy and share the livin' piss out of it, please. We're not getting any younger, c'mon now and get on board with us! ... Please check out all of our live dates below and come hang with us! You can check out my [Facebook](#) page and the Glenn & Oria [website](#) for the latest info.... Also, want to remind you we're all over social media, so like and follow us on [TikTok](#), [YouTube](#) and [Instagram](#) ... Also a quick thanks to everyone who tuned-in to our holiday edition of Quarantunes, we had a blast and were thrilled so many folks joined the craziness

SHADOWLAND: Shadowland will be releasing "Back To The Blues Again" very soon (you can pre-order it [here](https://distrokid.com/hyperfollow/glennalexanderandshadowland/back-to-the-blues-again): <https://distrokid.com/hyperfollow/glennalexanderandshadowland/back-to-the-blues-again>). It features the New York Horns/Juke Horns, with a great solo by Neal "The Dude" Pawley. Oria is singin' on it and I'm pickin' my nose and some gitar. You gonna dig it

ORIA: Oria will be releasing a new tune - "Your Cake" - this month, as well. It's an awesome song that I produced and play gitar on. The lyrics are so perfect for our crazy times and it rocks! Look for that soon

ETC: Mark Pender and I are gonna roll out to Cherokee, Iowa this month to throw down at their music festival. We'll be there hittin' January 17 and 18 and I'm sure I don't have to tell you that The Love Man brings the energy and it's gonna be one helluva a great time in Cherokee, baby!

Channeling my inner elf!
