GUITARIST / COMPOSER / PRODUCER

NEWSLETTER – FEBRUARY 2025

Hey, we made it through one crazy month of 2025 and here comes number two. I'm not terribly optimistic about 2025, but I know I'll feel a lot better when it's warmer and there's some sunshine. Now with the Jukes in the rearview mirror, it does free me up a bit to focus on releasing lots of new music - and between Shadowland, Glenn & Oria and Oria Aspen, we did release three songs last month. We intend to do the same this month and also hoping to book more gigs to fill the Jukes Void. Please be safe out there and stay warm *Glenn*

GLENN & ORIA: Glenn & Oria continues to stay busy with local gigs. This time of year it is mostly as a duo, hitting restaurants and some bar work. This month we'll hit at a bunch of familiar haunts - Ryland Inn, Liberty House, Stone House, The Albion and Hailey's - as well as a new spot for us: **Chrono's Trattoria** in Mountainside. As the weather gets warmer, we hope to get the band out more when we can take things outdoors. Please check the dates below and come out and say hi ... We released "Elroy's" last month. It is available on **Apple Music, Amazon, Spotify, Pandora, iHeartRadio, YouTube** and pretty much every streaming platform you can think of. Please check it out, download it, share it and tell the world! We will be releasing another new one this month so keep your earballs peeled ... You can find all the latest info at my **Facebook** page and the Glenn & Oria **website**. We're also all over social media, so like and follow us on **TikTok, YouTube** and **Instagram**

SHADOWLAND: Shadowland is in the process of booking some things down the road, so please stay tuned for that ... Last month, we released "Back To The Blues Again" and it is also available on all of the aforementioned formats, including: **Apple Music, Amazon, Spotify, Pandora, YouTube**, etc. It's pretty cool little groovester, if I do say so myself and it features a trombone solo by none other than "The Dude" Mr. Neal Pawley. You can never have too many trombone solos...wait, what? Did I just say that? Okay maybe you can but who is cooler than The Dude? No one!!! Please check it out, I think you'll dig it

Glenn & Oria at Liberty House in Jersey City

With Dan Meloy and Mark Pender in Cherokee, Iowa

ORIA: Oria has a new original song that has just been released called "Your Cake." It's a great rocker with some subtle, but, poignant lyrics that are really absolutely perfect for this new, insane time that we are living in. The song is pretty cool and ex-Juke John Conte lays down a smoking bass track. You can preorder it **here**. It, too, is on all of the aforementioned streaming platforms, so please check it out

ETC: Wow, had a blast in Cherokee, Iowa with Mark "Love Man" Pender and some other great friends at the Kee Live Music Festival. I got some cool pics - including my ice water plunge adventure - so, please go my **Facebook** page to check them out ... Months after Pig Gig 9, the donations continue to come in! We can add \$5,600 to our previous tally and the total is now \$27,600 - WOHO!!! Again, thanks to everyone who made this event such a success
