NEWSLETTER – MARCH 2025

We survived February, which given all of the factors involved, it might be a miracle. Can't wait for warmer temps, longer days and more sunshine. I find the cold, dark winters somewhat depressing and possibly more so this year than ever. I try to keep my chin up and head down, advice I received from my former boss and dear friend, Southside Johnny, who then said to me "I don't know how you do that but do it anyway" I love that cat! So that is my mission - chin up, head down *Glenn*

GLENN & ORIA: Glenn and Oria released "Elroy's" last month and this month we're releasing another new tune: "Broken."
