SHADOWLAND: Shadowland is firing up with several gigs this summer, so get ready to mark your calendars now, baby! On June 13th we'll be at the [Triumph Brewery](#) in Red Bank and July 5th we'll be at [The Stone Pony](#), indoors. Gary Clark Jr. is hittin' outside on the Summer Stage and we're thrilled to be rockin' inside! Then, on July 11th, we'll be part of the summer series Concerts On The Beach at Somers Point. We might have some special guests at the Pony and who knows at Somers Point. In any event, Shadowland is ready to rock and we hope you'll join us

ETC: I just had the coolest gig last week with the Max Weinberg 7. We performed at the Kennedy Center Mark Twain Prize, honoring Conan O'Brien. The guests included some of the funniest folks, ever: Will Ferrell, Adam Sandler, David Letterman (presenting), Tracy Morgan, John Mulaney, Sarah Silverman, Stephen Colbert, Triumph the Insult Comic Dog and others. It was SO great to reconnect with Max, Scott Healy, Mark Pender, LaBamba, Jerry Vivino and Michael Merritt. The Kennedy Center is a beautiful venue and the staff was amazing. What a great time! Sorry you missed it? Well, fear not, because the entire ceremony will be streamed on Netflix beginning Sunday, May 4th - watch out!
