NEWSLETTER - JUNE 2025

Ladies and people...It was winter, then I blinked and now it's summer - wow!!! We're living in a crazy time and people love to hate, they love to hate now more than ever and it's easy to go there, I get it. With that news, my song and powerful video "Common Ground" was recently removed from YouTube, saying it "violated their policies." After being up for more than eight years and garnering thousands of views, I was devastated. It is a song and video about peace and finding a place of common ground to meet, to share, to listen, to be patient, to try and understand and to love. I appealed the removal of "Common Ground" and I am proud to say after their review, it has now been reinstated. If you haven't seen it, I encourage you to view it and share it with anyone and everyone. You can find it here: <https://www.youtube.com/watch?v=aUuznQ4fRDQ&rc=1> Now more than ever I believe we need to find common ground. We have lots of shows this month, including a big hit in Red Bank with Shadowland. Hope to see everyone down the line *Glenn*

GLENN & ORIA: Oria and I continue to release songs and perform nonstop and we're having a blast! We will soon be releasing our remake of the Janis Joplin classic "Mercedes Benz." It is cool as hell and has Jersey's own Gary Dates on drums, as well as legendary songwriter, keyboardist, guitarist and vocalist extraordinaire, the one and only Bill Champlin. It's funky, greasy and just plain cool. Keep an eye out for that in June ... We also have a ton of performances comin' up in a really busy June with dates at **Barnacle Bill's** in Rumson, **Chrones Tavern** in Mountainside, **Krewe** in Jersey City and a ton of other spots, so please check out the dates below ... Right now, Oria and I

At the beautiful Logan Inn

Glenn & Oria at McLoone's Rum Runner

are in Arkansas at Pig Gig Arkansas. It's gonna be another great fundraiser for the Fibrolamellar Cancer Foundation in honor of my late nephew, Jay Alexander. If you want to contribute, please consider a donation to the Jay Alexander Foundation Inc., a 501c3 tax-deductible charity. There are a few ways to donate: via Venmo or PayPal both at @HeresToJay

SHADOWLAND: Shadowland has some cool gigs comin' up that you do not want to miss!!! The first one is Friday, June 13th at **Triumph Brewery** in Red Bank. We gonna throw down TWO big shows that night with some Shadowland faves, some new things and maybe a few Jukes songs!!!

Woohoo! Then, in true Jukes fashion, we are headlining the Wonder Bar on July 5th - the Saturday night of the big July 4th weekend. We are gonna rock the **Wonder Bar** big-time and you don't want to miss this!!! You never know who will show up! Then, on Friday July 11th, we're rockin at **Somers Point Beach Concerts!** That's sure to be a fun time, so come on down! ... Right now, I'm tryin' to mix a couple of new Shadowland songs to release soon. Will get it done this month and released just in time for our next performances, so keep an eye out for our new music

ETC: Folks, other than the above, it's grillin', chillin' and plantin'. Yeah, that's right, got the plants goin' for pickles and salsa-makin' and just good ol' wholesome summer life
