NEWSLETTER - JULY 2025

Yeah, people, we're jumpin' into July and we got some cool things happenin.' First, all of my plants are rockin'! Pickin' cucumbers, zucchini and basil. Still waitin' on the tomatoes and peppers and soon it will be salsa time - no, not Tulsa time, but Salsa time baby! Woohoo! Shadowland has a couple of great hits early in the month - at the legendary Wonder Bar on July 5th, then Somers Point the following week, details below. I do hope everyone is enjoying some fun in the sun, a nice cold beverage and the beauty of summer. Be safe out there and come say hi at one of our events ..... *Glenn*

**SHADOWLAND:** Oh boy - Shadowland is hittin' at The **Wonder Bar** on July 5th!!! That's right, in honor of the Jukes traditional July Fourth hit at the Stone Pony Summer Stage (which got bounced to September a couple of times), Shadowland is gonna throw down at The Wonder Bar! Mark your calendar and come hang with us in Asbury Park that evening, 'cause we gonna have some fun!!! Might even play a Jukes song or two! Then, the next Friday, we move down to the **Concerts on the Beach in Somers Point** on July 11<sup>th</sup>. We are excited about this one as well, and damn excited to be sharin' what we do in the summertime down on the Jersey Shore!!!

*At Triumph Brewery*

Hope we see you at one of these - come rock out with us! ... Also, still mixing a couple of new Shadowland songs to release soon, so keep an eye out for our new music .....

**GLENN & ORIA:** Glenn & Oria released our remake of the Janis Joplin classic "Mercedes Benz." That's right baby, it's out there on all music platforms from Spotify, Apple music, iTunes or wherever you get your music. Please find us, listen, share and send us your thoughts. We love the feedback! That cut has Gary Dates on drums and the one and only Bill Champlin on organ. We sure hope you dig it. In the meantime, we continue to work nonstop - we have been hittin' about 10 to 12 gigs every month. We're bouncing from restaurants, to bars, to private parties and havin' lots of fun doin' it. We have listed a bunch of dates below, including some faves like the **Logan Inn** in New Hope and **Liberty House** in Jersey City, so we hope to see you along the way .....

*At Barnacle Bill's with Oria*

**THE JUKES:** There's no music happenin' in the Jukes world, but most of us did attend a Mets game at Citi Field on June 10th. It was John Conte, John Isley, Chris Anderson, Vernon Perrone, Phil Moses and the one and only Southside Johnny himself, that's right baby, in the flesh!!! It was a great time and so great to see the cats and the Mets won - yeehaw!!! .....
