NEWSLETTER - AUGUST 2025

One more month of summer folks! Soon we'll be into fall, so enjoy the beautiful month of August. Been enjoying the fruits of my labor making salads and dishes with zucchini, cucumber, tomato, peppers, basil, lettuce and all of the other things we grew. That's the best part of summer for us here at the Alexander homestead! We have some fun music things in August and one is Oria & I are hittin' with fellow Juke bassist John Conte at **Barnacle Bill's** and the other is we are opening for the Adam Ezra Group at **The Wonder Bar**! Wow! That's gonna be a lot of fun! Check details below... Enjoy the final month of summer and stay cool. That's about all I have folks. My ass is draggin' and I'm tired. Music keeps me goin' - that and having to pay the bills *Glenn*

SHADOWLAND: Shadowland had some really fun gigs in July, including a wonderful show at the iconic Wonder Bar in Asbury Park. Wow, what a great room to play, and on July 4th weekend, no less! We loved it and hope to be back there again very soon. Meantime, I'm in the process of mixing a few more songs for release in the fall. I think there are another half-dozen or so songs to come. There is simply enough hours in the day to get all of this done. We will keep forging ahead and hopefully book a few things for the fall. Please stay tuned.

GLENN & ORIA: Glenn & Oria are working non-stop and are excited to be hittin' with fellow Juke bassist John Conte August 9th at Barnacle Bills. We'll also have the amazing Gary Dates on drums. We love that place, nestled right on the Navesink River, with great food, great vibes and great music! ... We continue to release a lot of music and videos. Hopefully, by the time you read, this we'll have a video out for our version of "Mercedes Benz." We have so many songs just waiting in the wings - and when I say waiting, we're really just trying to craft some videos to go with them - but soon, one way or another, we'll release "Dancin In The Rain", "Lolligaggin" Dilly Dally Fiddle Dickin," and "Serial Killer Of Love." Then, we'll release some more of Oria's songs like "Tell Me Sad Stories", "Fever Dream," "Where Has

THE JUKES: I can honestly say I miss that wildman Southside Johnny and all the insanity that came with The Jukes. We had some great times, a few shitty ones - you know, once in a while there's a turd in the punch bowl - but overall it was damn fun and pretty cool. Great memories!
