GUITARIST / COMPOSER / PRODUCER

NEWSLETTER – SEPTEMBER 2025

Summer is over, folks. No, I don't like it, but I do love the fall weather and colors, so tryin' to look on the bright side. The summer was busy and I'm not really sure what happened, as it flew right by. Oria and I are honored and excited to have been chosen to appear on the front cover of the October issue of [Asbury Park City Lifestyle](#) magazine. This issue will be released in late September. The last issue had Danny Clinch on the cover, while the July issue featured the one and only Southside Johnny, so we are honored to be in such good company. Additionally, we will also be on the cover of the October issue of [Local Media Westfield/Summit](#) magazine - WOOHOO! We have some great performances coming up and we're gonna be releasing more new music - we're rockin and healthy! During this dark and somewhat insane time, it helps us to look for anything and everything that is positive. Also, remember that Pig Gig 10 is comin' up soon as well and we're lookin forward to that. Wishing the best for everyone moving into the fall ..... *Glenn*

**GLENN & ORIA:** Glenn & Oria have so much going on!!! We are gonna release "Dancin In The Rain" in September and Oria will be releasing "Fever Dream." so it's looking to be a very busy month.
