Thank you to all who attended Pig Gig 10 - woohoo!!! We - all of you who participate, attend and donate are really making a difference! Here's To Jay!!! In other news, Oria and I released three fantastic songs this month: "Decisions Decisions," "Dead Inside" and "Serial Killer of Love." Please find them, listen, share and send us your comments because we're very excited about them. Last but not least, it's November and that means Thanksgiving, giving thanks, sharing and helping others. Let's make sure everyone has a delicious meal on Thanksgiving. **PIG GIG 10:** Well, we came, we saw, we conquered! PIG GIG 10 was an incredible success! It was a really beautiful day, filled with food, music, love and laughter and I thank everyone profusely! Thanks to the performers - **The Lonesome Pines**, the **Glenn & Oria Band**, comedian **Mike Marino**, **Glenn Alexander & Shadowland** and the amazing **Weeklings**, who blew the roof off the joint! We are sooo lucky to have these great artists on board. Thank you to our generous sponsors - **Ace Service Center**, Lou Giocondo and **American Blues Scene**, **CRJ Contracting**, **Bill's Ineffable Automotive Rehabilitation**, **Transparent Clinch Gallery**, **Jon Bon Jovi**, **Cru Winery**, **GVP**, **neuNERDesign**, **BC Tire**, **Fairport Music Festival**, **Jim's Super Service**, **Mountain Deli**, **Scotch Plains-Fanwood UNICO**, **Scotch Plains PBA Local 87**, Neil McNulty and **RBC Wealth Management**, **Westfield Local Media**, **Krewe of McGinley Square**, the **American Legion S.A.L. While we don't have a final total on the amount raised, we can report that through prior Pig Gigs and fundraising efforts, the Alexander family has raised more than \$310,000 to help find treatments and a cure for fibrolamellar cancer, which took my nephew Jay at the all too young age of 20 in 2011. A big thank

you to Lynn O'Malley of the **Fibrolamellar Cancer Foundation** for always showing up and supporting our fundraising efforts. It was great to see everyone and laugh and eat and party. Thanks to everyone for making Pig Gig 10 a great day. Once again - HERE'S TO JAY!!! .....

**GLENN & ORIA:** Oria and I just released three fantastic songs this month as a Halloween package! Why, you ask? Because they're cool as hell, fun and a bit twisted. Yeah, they're much more interesting than Taylor Swift songs ... just sayin. Okay, different, because they rock and they're full of wild guitars. Even though they are a bit twisted, they aren't depressing - crying boohoo about my feelings got hurt and then I shit myself. "Decisions Decisions" is a My Chemical Romance-inspired thang with accordion - and who doesn't LOVE the accordion? "Dead Inside" is the darkest of the bunch. Oria sings her ass off and it just rocks! "Serial Killer of Love" is a journey into wild, crazy-ass guitar sounds and other insanity. Do yourself a favor. find them, listen, cry, laugh and puke, but please share them and send us your comments. We're very excited these songs! Don't forget to like/follow us on **TikTok**, **YouTube**, **Instagram**, our **Facebook** page, my **Facebook** page and our **website** .....

**SHADOWLAND:** No surprise - Shadowland threw down and killed at Pig Gig 10! We hadn't played together in a month or so, but it was like riding a bike and we fell right back into it ... BIG NEWS: We are THRILLED to be back at **Triumph Brewery** in Red Bank on December 5th!!! This is a great spot and we hope to get everyone out and groovin' to Shadowland, so please save the date and come spend the night with us .....

*With my brother Greg and Sheila*

*With Robbie and Bill - the pig guys*

*My Jukes brother Chris Anderson*
