GUITARIST / COMPOSER / PRODUCER

NEWSLETTER - DECEMBER 2025

Wow, folks - this the final month of 2025! That flew by so damn fast. Well, we're goin out smokin', baby! We have lots of performances with Glenn & Oria, the Glenn & Oria Band, Shadowland and also hits with LaBamba. It is sure to be a very busy month. Time to get er done, wrap it up, hit it and quit it, and that's exactly what we gonna do. Hope y'all had a wonderful Thanksgiving and that we can get through this final month somewhat unscathed and have fun along the way. There are plenty of folks out there that are struggling and hungry and if we have the opportunity, we should please do what we can to look out for those who need us. Please come out and visit us and say hi! In the meantime, we wish everyone a happy, healthy and loving holiday season *Glenn*

SHADOWLAND: We are beyond excited to be back at the **Triumph Brewery** in Red Bank this month! Start makin' plans for Friday, December 5th, because it is going to be epic! We have the Asbury Jukes Horns blowin' and Oria singin' - it doesn't get much better than that! We'll be playing some originals, some covers, some Christmas tunes and some Jukes favorites - it'll be a blast! Plus, Triumph is a great spot, with an amazing menu and a great variety of freshly brewed beer. Oh, and did I mention there isn't a cover charge? That's right, the show is free! So, c'mon out and watch Shadowland throw down! Be there or be square ... Keep checking the Shadowland website, because we will have a bunch of new shows comin' up in 2026, including one at the **Lizzie Rose Music Room** in Tuckerton, New Jersey - we'll be lookin' for ya

GLENN & ORIA: The big news is that Oria and I will be doing what has become an annual Christmas show LIVE on my Facebook page, Tuesday, December 23rd. We used to call it "Christmas Quarantunes" during the pandemic, but now it's just Glenn and Oria LIVE on Facebook and we hope you'll join us for some holiday craziness from our dining room table ... Once again, please check out our three new, just-released songs: "Decisions Decisions, a "My Chemical Romance-inspired tune; "Dead Inside," a dark ride where Oria sings her ass off; and, finally "Serial Killer of Love," a wild journey into insanity. They are available at all the usual spots: **Spotify, Apple Music, YouTube, Amazon**, etc. We are psyched to once again be performing in our good friend **LaBamba's Holiday Hurrah** at The Vogel in Red Bank on

At the Fanwood Performance Series

Saturday, December 6th. It will be a scene with a crazy amount of horns and other musicians squeezed onto a much-too-small stage - and we wouldn't want it any other way! These shows are always a blast and I love playin' with good friends like LaBamba, Mark "Love Man" Pender and Bobby Bandiera. Hope to see y'all there ... We played a very cool private event at McLoone's Supper Club last month. It was for **Asbury Park City Lifestyle** magazine and our good friend Jimi Bonaro is the publisher. We had a great time and were happy to support this magazine that promotes music and the arts on the Jersey shore ... Glenn And Oria are all over social media, so please check us out and like/follow us on **TikTok, YouTube, Instagram**, our **Facebook** page, my **Facebook** page and our **website**

With Tony Pallagrosi and Oria at the City Lifestyle party

PIG GIG 10: Once again, thank you to EVERYONE who sponsored, attended, volunteered donated and performed. Pig Gig 10 was a success and our final total for amount raised this year was \$15,875. Wow, thank you, thank you, thank you! ALL of this money goes directly to the **Fibrolamellar Cancer Foundation** for research and - hopefully - a cure one day soon. We

love and appreciate y'all and thank you for contributing at a grassroots level to eliminate the horrible disease that took our beloved Jay Alexander at age 20. It's an uphill climb, but we will prevail in the end, thanks to generous folks like you. Thank you and Here's To Jay!!!
