NEWSLETTER – MARCH 2026

Woohoo, we're marching into March!!! Well, maybe we're crawling in shivering, but we gonna get there. Spring is getting closer, people! We have a ton of music for you in March that we think you're gonna love. A highlight is Shadowland at **McLoone's Supper Club** in Asbury Park. We will feature Oria on vocals and maybe even a flute moment. The Asbury Juke Horns (aka The New York Horns) with a special vocal performance by Neal Pawley and special guest vocalist/keyboardist Bobby Lynch, who you definitely know from many his Juke gigs. Who knows - there might even be another special guest, so grab your tickets folks. We gonna give away free t-shirts and pretty much anything else we can think of. Hell, the band would happily give me away! Please stay warm and stay cool!!! I'll see ya down the dirt road *Glenn*

GLENN & ORIA (AKA Blue Americana): Well, we continue to work nonstop and are having fun! We had a fantastic night celebrating Black History Month and performing at the iconic, historic landmark **The Shady Rest Country Club**. The band - with John Conte on bass and Gary Dates on drums - was killin' and we were just so honored to be standing in and playing in the exact room that brought folks like Billie Holiday, Ella Fitzgerald, Count Basie, Duke Ellington, Cab Calloway and so many other legendary Black artists back in the 1920s, 30s and 40s. We were also thrilled to share the bill with the James"JB" Barnes Blues Band. It was a great night ... We are always releasing songs and continue to record.

We also have many, many performances in March, so please check dates below and on our [website](#). Please subscribe to our [TikTok](#) and [YouTube](#) channels and connect with us at [and please connect with us on Instagram](#) and the Glenn & Oria [Facebook](#) page - we'd love to hear from you!

SHADOWLAND: Shadowland is dodging and weaving folks, always movin.' We are putting together a short European tour for the first week of August. We're still working on dates, but we will definitely play three dates in Germany and maybe one in The Netherlands. A Malmo, Sweden date is also a possibility. I will keep you posted as things develop ... Shadowland is releasing "The Blues In 12 Bars" this month, right around the same time as our hit at **McLoone's Supper Club** in Asbury Park! Oh boy, that's gonna be a fun one! We gonna be doing some Jukes songs with our special guest keyboardist/vocalist Bobby Lynch! You DO NOT want to miss that hit! For tickets, go to the Supper Club [website](#) ... We are eventually going to release an entire album this summer, prior to our European tour, so please stay tuned, folks - the music never stops, along with the insanity and fun!!!

LARUE/ALEXANDER - L.A.X.: We've been writing and recording material for a new album, so that will be comin' your way soon. We are also releasing a new video for our song "Phony Baloney" and it will feature our performance at The Iridium in New York City. "Phony Baloney" is a burner and y'all gonna love it! It is pretty smokin,' if I do say so myself! ... And L.A.X. is planning on playing some dates this summer, both here in New Jersey and New York. For those unfamiliar with L.A.X., it's a great rock trio with bassist extraordinaire Dave LaRue and drummer extraordinaire Van Romaine. Stay tuned for gig dates and keep on the lookout for the release of the video for "Phony Baloney." We do have a [website](#) and encourage you to check it out and learn more about L.A.X.
