NEWSLETTER – SEPTEMBER 2026

I hate to say it people, but summer is gone. It does frighten me a bit at how fast time is moving at this point in my journey on Planet Earth. While we are still excited about all that happened in August, alas, September is here and we look forward to all of the wonderful music and things that will happen in this month. Our time in Europe was amazing and I encourage everyone to travel to as many other countries as you can afford to and have time for. The people were incredible - always so welcoming - and the history, art, architecture, food, culture and sights were beautiful, rich and often mind-blowing. Thank you to all of our amazing friends and fans in Sweden, Germany and The Netherlands for welcoming us with open ears and arms! September is gonna be awesome and we hope you'll come out, see a show or two and hang with us! *Glenn*

GLENN & ORIA (AKA Blue Americana): We just recently released a super-fun, summertime song called "Blackberry Wine" and if you haven't listened we hope you will make a point to check it out. It's catchy, toe-tapping fun. Please share it, stream it, download it, put it in your pocket cuz you gonna love it! We are currently working on creating a video and if YOU send us a video clip of you and/or you and your loved one bouncing and singing along to "Blackberry Wine" we'll put it in the final video!!! That's right - YOU can star in the video with us! Just send your video - or a link to where we can download it to: gha@comcast.net ... We have lots of great gigs this month at many of our fave spots as well as some new venues, so please check the dates below ... We are also very excited to announce that world-renowned bassist Paul Frazier will be with us at both Barnacle Bill's and The Albion

With LaBamba at the Morristown Jazz Festival

SHADOWLAND: Shadowland had an absolutely fantastic time in Europe and we knocked em out!!! We teamed up with Joe D'Urso and just had such a great time and put on a helluva show, if I do say so myself! Joe was awesome and the folks in Europe absolutely love him, as do we. We played Shadowland songs, Joe D'Urso songs, Bruce songs and quite a few Southside Johnny & The Asbury Jukes songs and generally had a frickin' great time doin' it all!!! While Shadowland doesn't have any hits in September, we will be back at [Triumph Brewing Co](#) in Red Bank on October 30th - my birthday! - so mark your calendars and come party with us!!!

ETC.: Had a great time at the Morristown Jazz Festival with LaBamba and The Hubcaps last month. Always fun to hit with LaBamba and Mark "Love Man" Pender
