You don't want to miss this hit - it's at [Triumph Brewing Co](#) in Red Bank. There's no cover, the food is excellent and the craft beer is ice cold, tremendous and second to none. So put October 30th on the calendar and come out and celebrate with us!

cool song and perfect for October. After listening to it, Southside Johnny said "I love it! Love the lyrics! A great song." A helluva a compliment from Uncle Southside! I produced it, played guitars on it and Van Romaine played drums. It rocks and is just all around COOL! Stay tuned to check it out

ETC.: For us, October has long been Pig Gig month and we have loved doing it and are grateful beyond belief for all that have come out and supported it, attended and worked at it. Last year was really tough to pull off for so many reasons, but maybe the main reason was that it takes so much time and energy and both Phyllis and I were spent and exhausted and we needed a break. Right now, this year is also a time when lots of folks are struggling a bit financially, so we're putting the event on hold this year, but plan on getting back to it next year. I am personally trying to make a few changes for next year that will allow me to have more time to put into it, so stayed tuned. We are still going to fundraise for the [Fibrolamellar Cancer Foundation](#) during this month and my plan is to sell four guitars that were gifted to me by Fred Winston for the specific purpose of auctioning/selling them to raise money for FCF in honor of Jay Alexander. Thank you my dear friend Fred Winston - we are so grateful for your gift and support. The guitars (pictured above right) are three Fender Telecasters and one Les Paul Deluxe. All are in mint condition and absolutely beautiful, amazing instruments. So, look for those to show up soon and for those guitar lovers, we hope you'll jump in, bid and support FCF. Here's to Jay!
